A colorful illustration of a landscape. In the top left, a bright yellow sun with rays is partially obscured by a white cloud. The sun's rays are depicted as thick yellow and white beams. In the center, a white, curved structure resembling Noah's Ark is shown, with blue lines representing ropes or cables. The structure is situated on a dark grey, rocky terrain. To the right, there are green mountains with grey rocky bases. The sky is a solid light blue, and the ground is a mix of green, grey, and brown. In the bottom right corner, there is a small red heart icon on a black background.
