Ntawv tso cai: Koj muaj cai luam ntxiv lossis luam zaj dabneeg
no tawm tsuas yog koj tsis luam muag nyiaj xwb.

Ib tus pojniam sawv
ntawm lub roob uas
nrov ntshoo nrooj,
nws ob lub qhov muag
ntsia yam tsis txaus
ntseeg. Nws tus tub
tabtom yuav tuag.
Leejniam yog Malis
thiab nws sawv ze
ntawm thaj chaw
Yexus raug ntsia
rau saum ntoo
khaublig.

Tej xwm txheej nov
tshwm tau li cas? Yog
vim li cas Yexus uas muaj
lubneej zoo heev yuav
mus xaus phem
ua luaj li? Vim
li cas Vajtswv
tso nws leej tub

raug ntsia saum ntoo
khaub lig thiab cia kom
tuag saud? Puas yog
Yexus xav yuam kev tias
nws yog leej twg? Puas
yog Vajtswv
swb lawm?

Tsis yog! Vajtswv tsis
tau swb. Yexus tsis tau
xav yuam kev. Yexus
yeej ib txwm paub tias
cov neeg phem yuav
muab nws tua. Txawm
thaum uas nws tseem
yog menyuam yaus, ib
tus txivneej laus twb
qhia Malis txog txoj
kev lwjsiab nyob tom
ntej lawm.

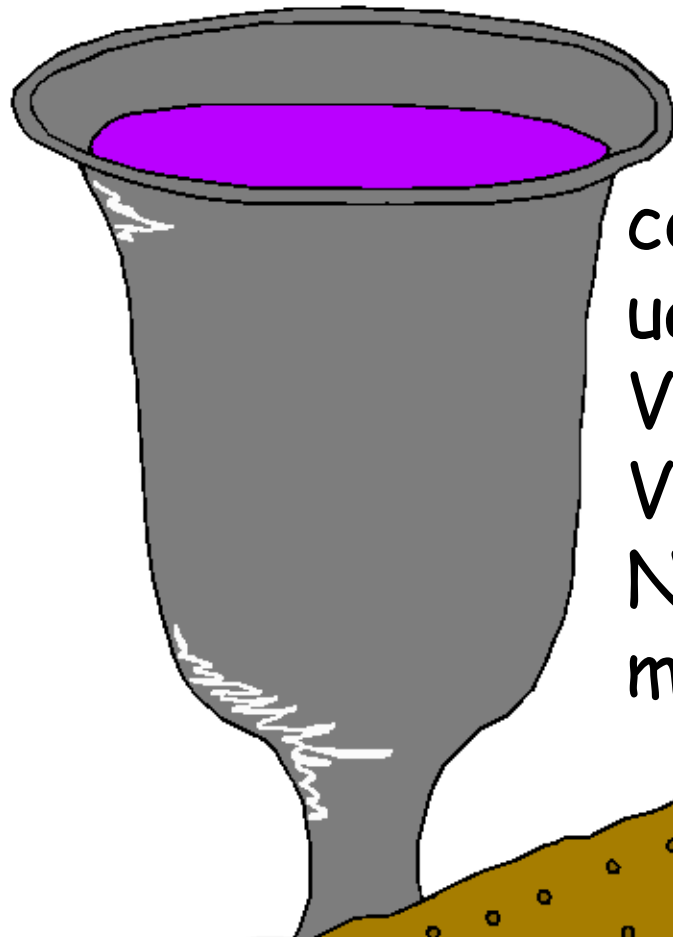

Ob peb hñub ua ntej
Yexus raug tua, muaj
ib tus pojñiam nga ib
co roj tsw qab tuaj
nchuav rau Yexus ko
taw. "Nws nkim nyiaj ua
luaj," cov thwjtìim yws. "Nws ua
tau zoo heev," Yexus hais. "Nws ua pub
rau hñub log kuv." Cov lus no txawv ua luaj!

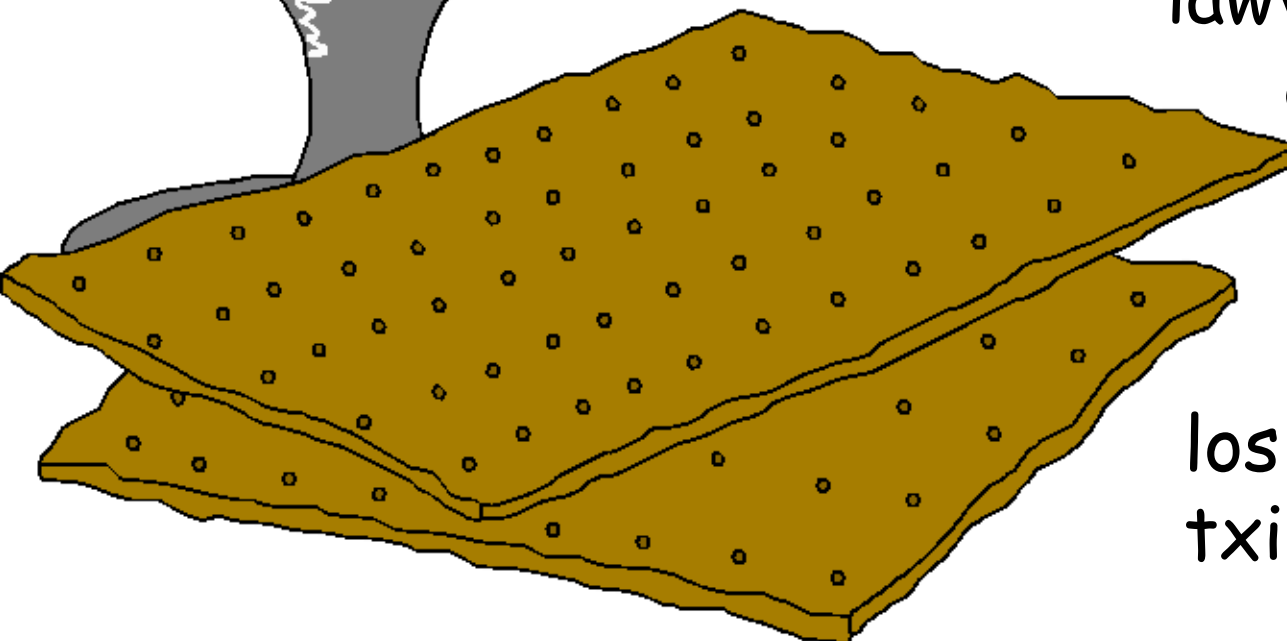

Tomqab no, Yudas, ib tus
ntawm Yexus kaum ob tus
thwjtim, ntxeev siab rau
Yexus nrog cov povthawj
hlob muab Nws muag 30
lub npib nyiaj.

Tomqab cov neeg Yudas ua kev
cai hla dhau lawm, Yexus nrog nws
cov thwjtim noj ib puas mov kawg
ua ke. Nws qhia ntau yam zoo txog
Vajtswv rau lawv paub thiab txog
Vajtswv tej lus cog rau cov hlub
Nws. Ces Yexus txawm muab ncuav
mov thiab ib khob cawv los faib rau
lawv noj. Nov ua lub
cim qhia rau lawv
paub tias Yexus
lub cev thiab cov
ntshav tau muab
los txheej kev zam
txim txhaum.

Ces Yexus hais rau nws cov phoojywg tias Nws yuav raug ntxeev siab thiab lawv yuav khiav ntawm nws mus. "Kuv yeej tsis khiav," Petus hais khov kho. "Ua ntej qaib qua, koj yuav tsis lees paub Kuv peb zaug," Yexus hais.

Hmo ntawv, Yexus mus thov Vajtswv hauv lub vaj Kexemanes. Cov thwjtim uas nrog nws tsaug zog tag. "Aub Kuv Txiv," Yexus thov, "...Cia lub khob nov dhau Kuv mus. Txawm li cas los, tsis txhob ua li kuv ntshaw, tiamsis ua li koj ntshaw."

Tamsim ntawv, ib pab neeg coob taug
kev tuaj ntawm lub vaj, Yudas ua tus coj.
Yexus tsis tawm tsam tiamsis Petus txiav
kiag ib tus lub pob ntseg. Yexus ncav
twjywm mus kov tus txivneej
ntawv lub pob ntseg thiab
kho nws zoo. Yexus paub
tias Nws raug ntes raws
li Vajtswv pom zoo.

Pab neeg ntawv coj Yexus mus rau tus tuam
povthawj hlob lub tsev. Nyob rau tod, cov Yudas

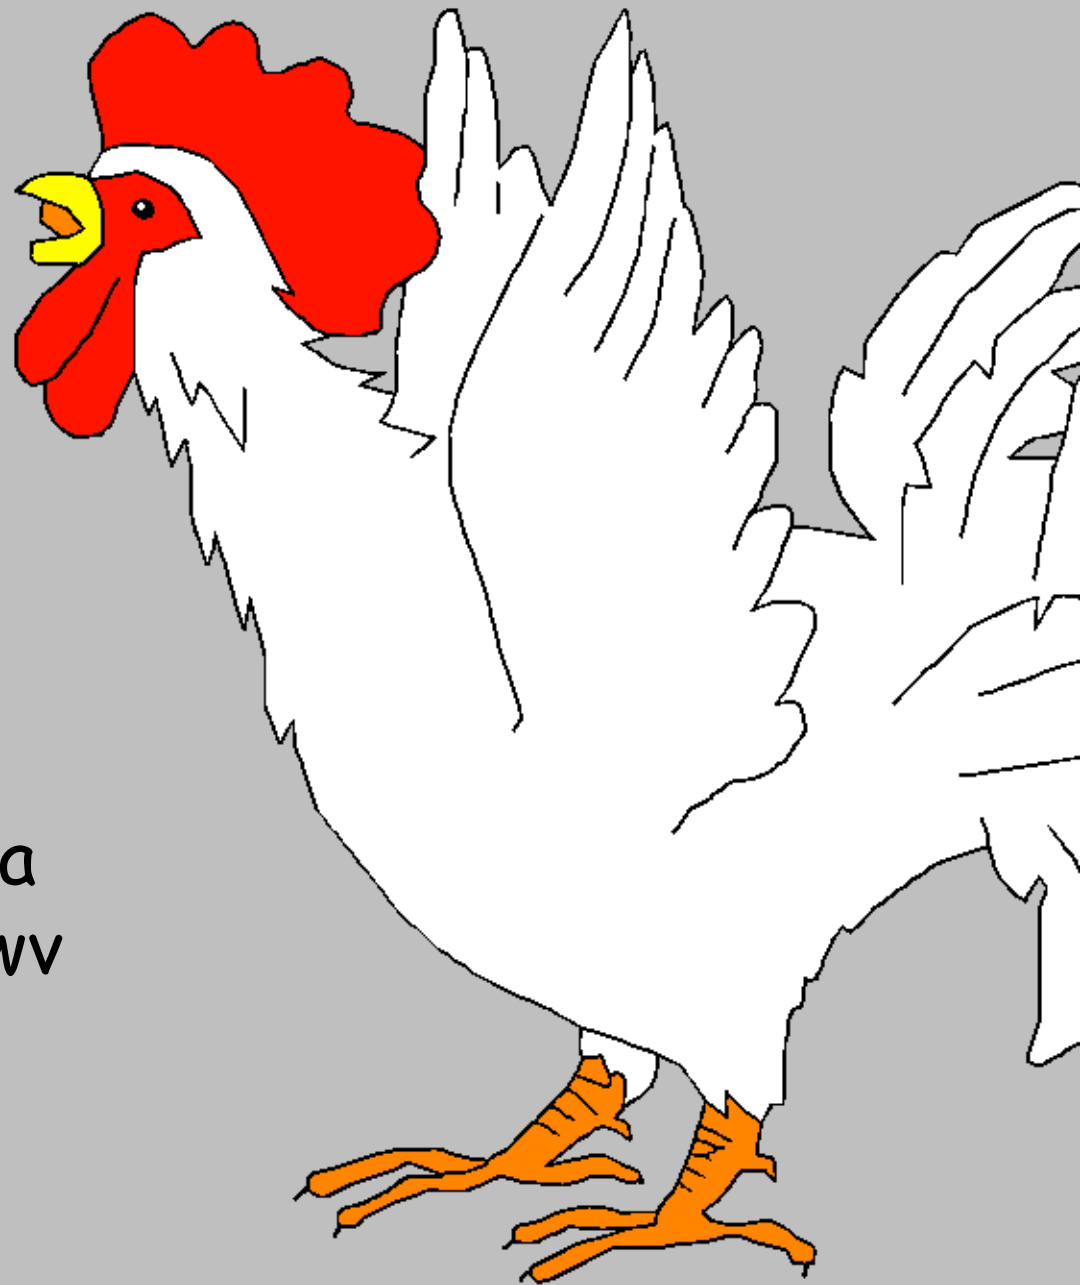

cov thawj coj haitias
Yexus tsim nyog tuag.
Nyob ze ntawv, Petus
sawv ze ntawm cov tub
txib lub ntug cub
ntsia lawv.

Peb zaug uas tibneeg ntsia Petus thiab haitias, "Koj nrog Yexus sav!" Peb zaug uas Petus tsis lees, li uas Yexus twb hais rau nws lawm. Petus tseem twv ntuj thiab kom foom tsis zoo rau nws.

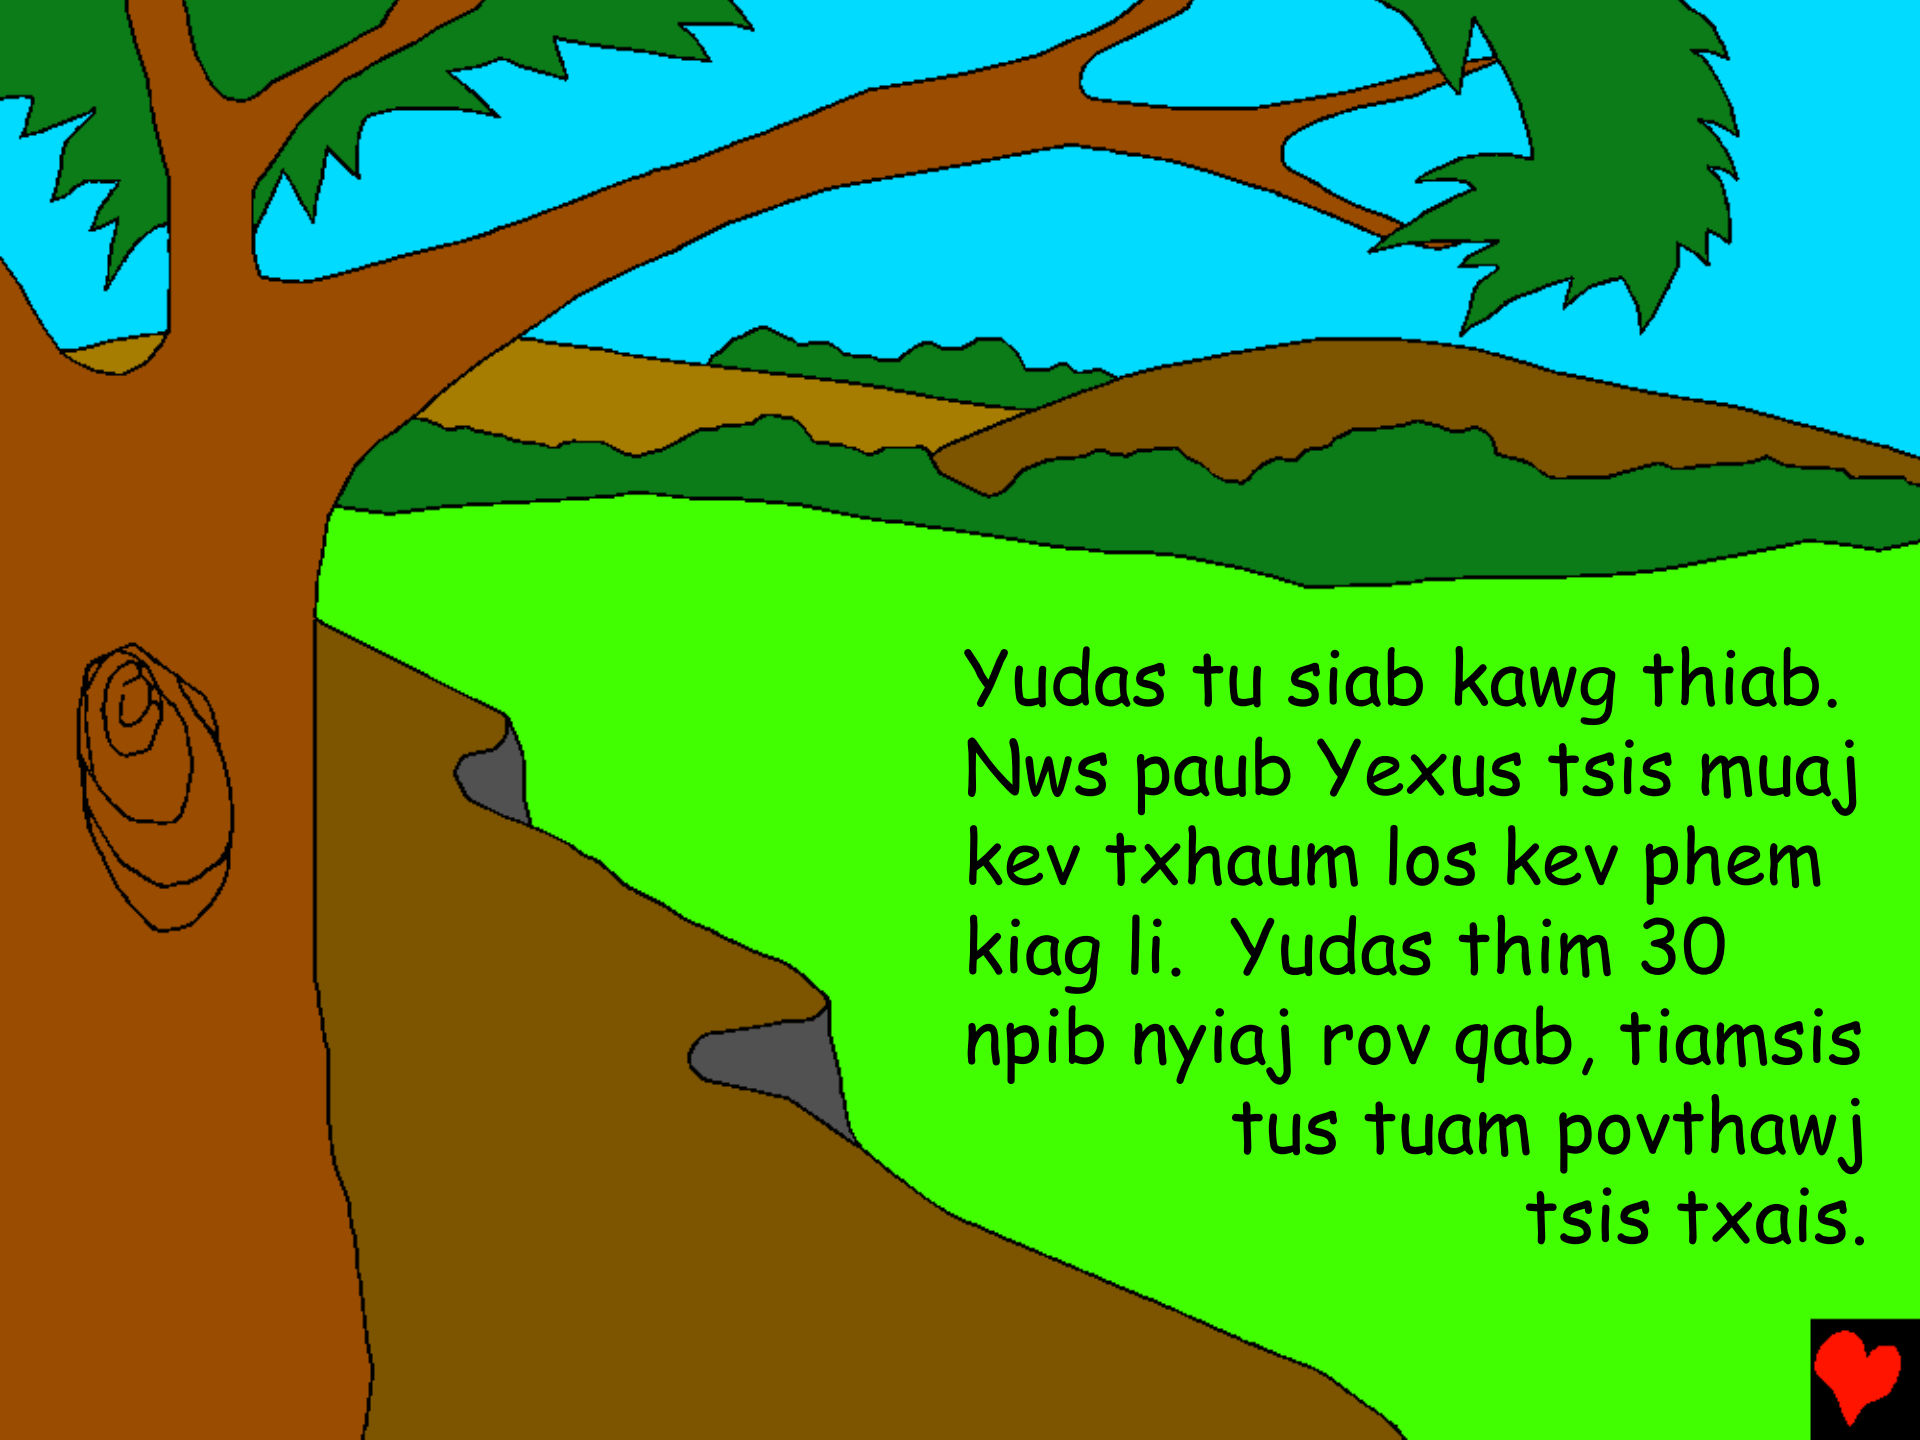

Qaib qua

Tamsim ntawv, qaib qua
kiag. Zoo li yog Vajtswv
lub suab hu Petus.
Petus nco txog Yexus
cov lus, Petus quaj tu
siab kawg nkaus li.

Yudas tu siab kawg thiab.
Nws paub Yexus tsis muaj
kev txhaum los kev phem
kiag li. Yudas thim 30
npib nyiaj rov qab, tiamsis
tus tuam povthawj
tsis txais.

Yudas muab cov
nyiaj pov tseg, tawm
mus - thiab mus dai
nws tus kheej.

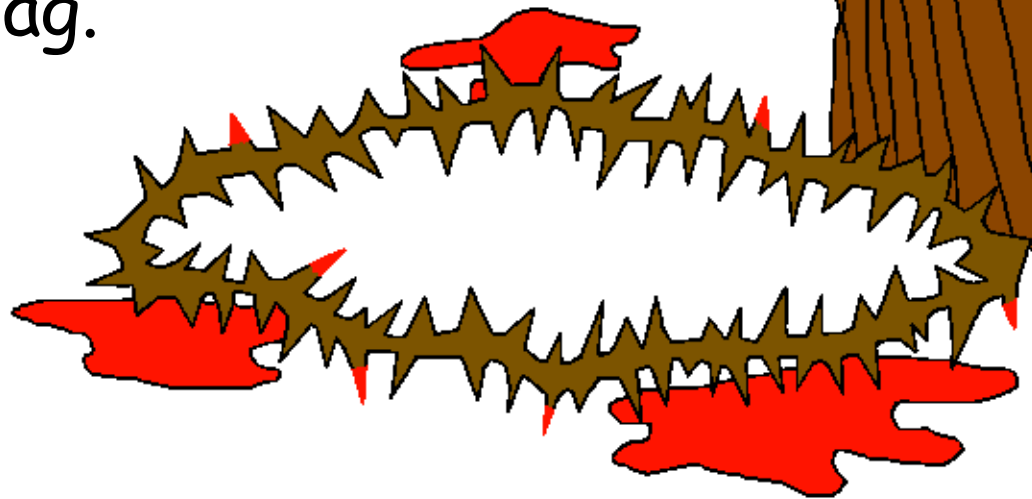

Cov tuam povthawj coj Yexus mus
rau Philaj, tus tswv xeev uas yog
neeg Loos. Philaj haitias, "Kuv tsis
pom tus txiv neej no ua txhaum
dabtsi." Tiamsis pab
neeg pheej quaj qw
tias, "Muab nws ntsia
saum ntoo khaublig!
Muab nws ntsia saum

ntoo khaublig!"

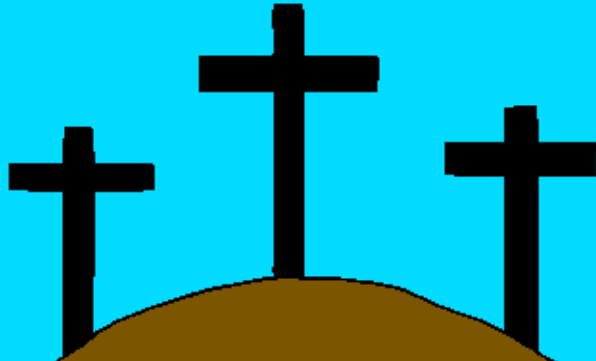

Thaum kawg Philaj ua tsis tau li cas,
ces nws txawm txiam txim muab
Yexus ntsia rau saum ntoo khaublig.
Cov tubrog muab Yexus ntaus, nti
aub ncaug rau Nws ntsej muag, thiab
nplawm Nws. Lawv muab pos los ua
lub kaus mom nias rau Yexus ntoo
saum nws to hau. Ces lawv muab
Nws ntsia rau saum ib tus ntoo
khaublig kom tuag.

Yexus ib txwm paub nws yuav tuag li ntawv. Nws yeej paub tias Nws txoj kev tuag thiaj yuav zam tau cov neeg txhaum uas tso siab rau Nws. Muaj ob tus

tub sab raug ntsia nrog Yexus. Ib tus ntseeg Yexus - thiab tau mus ntuj ceejtsheej. Ib tus tsis tau mus.

Tom qab ntau teev uas raug kev
tsim txom, Yexus haitias, "Tiav
lawm lau," thiab tuag lawm.
Nws tej dejnum tiav log
lawm. Tej phoojywg
coj Nws lub cev mus
faus rau hauv ib
lub qhov zeb.

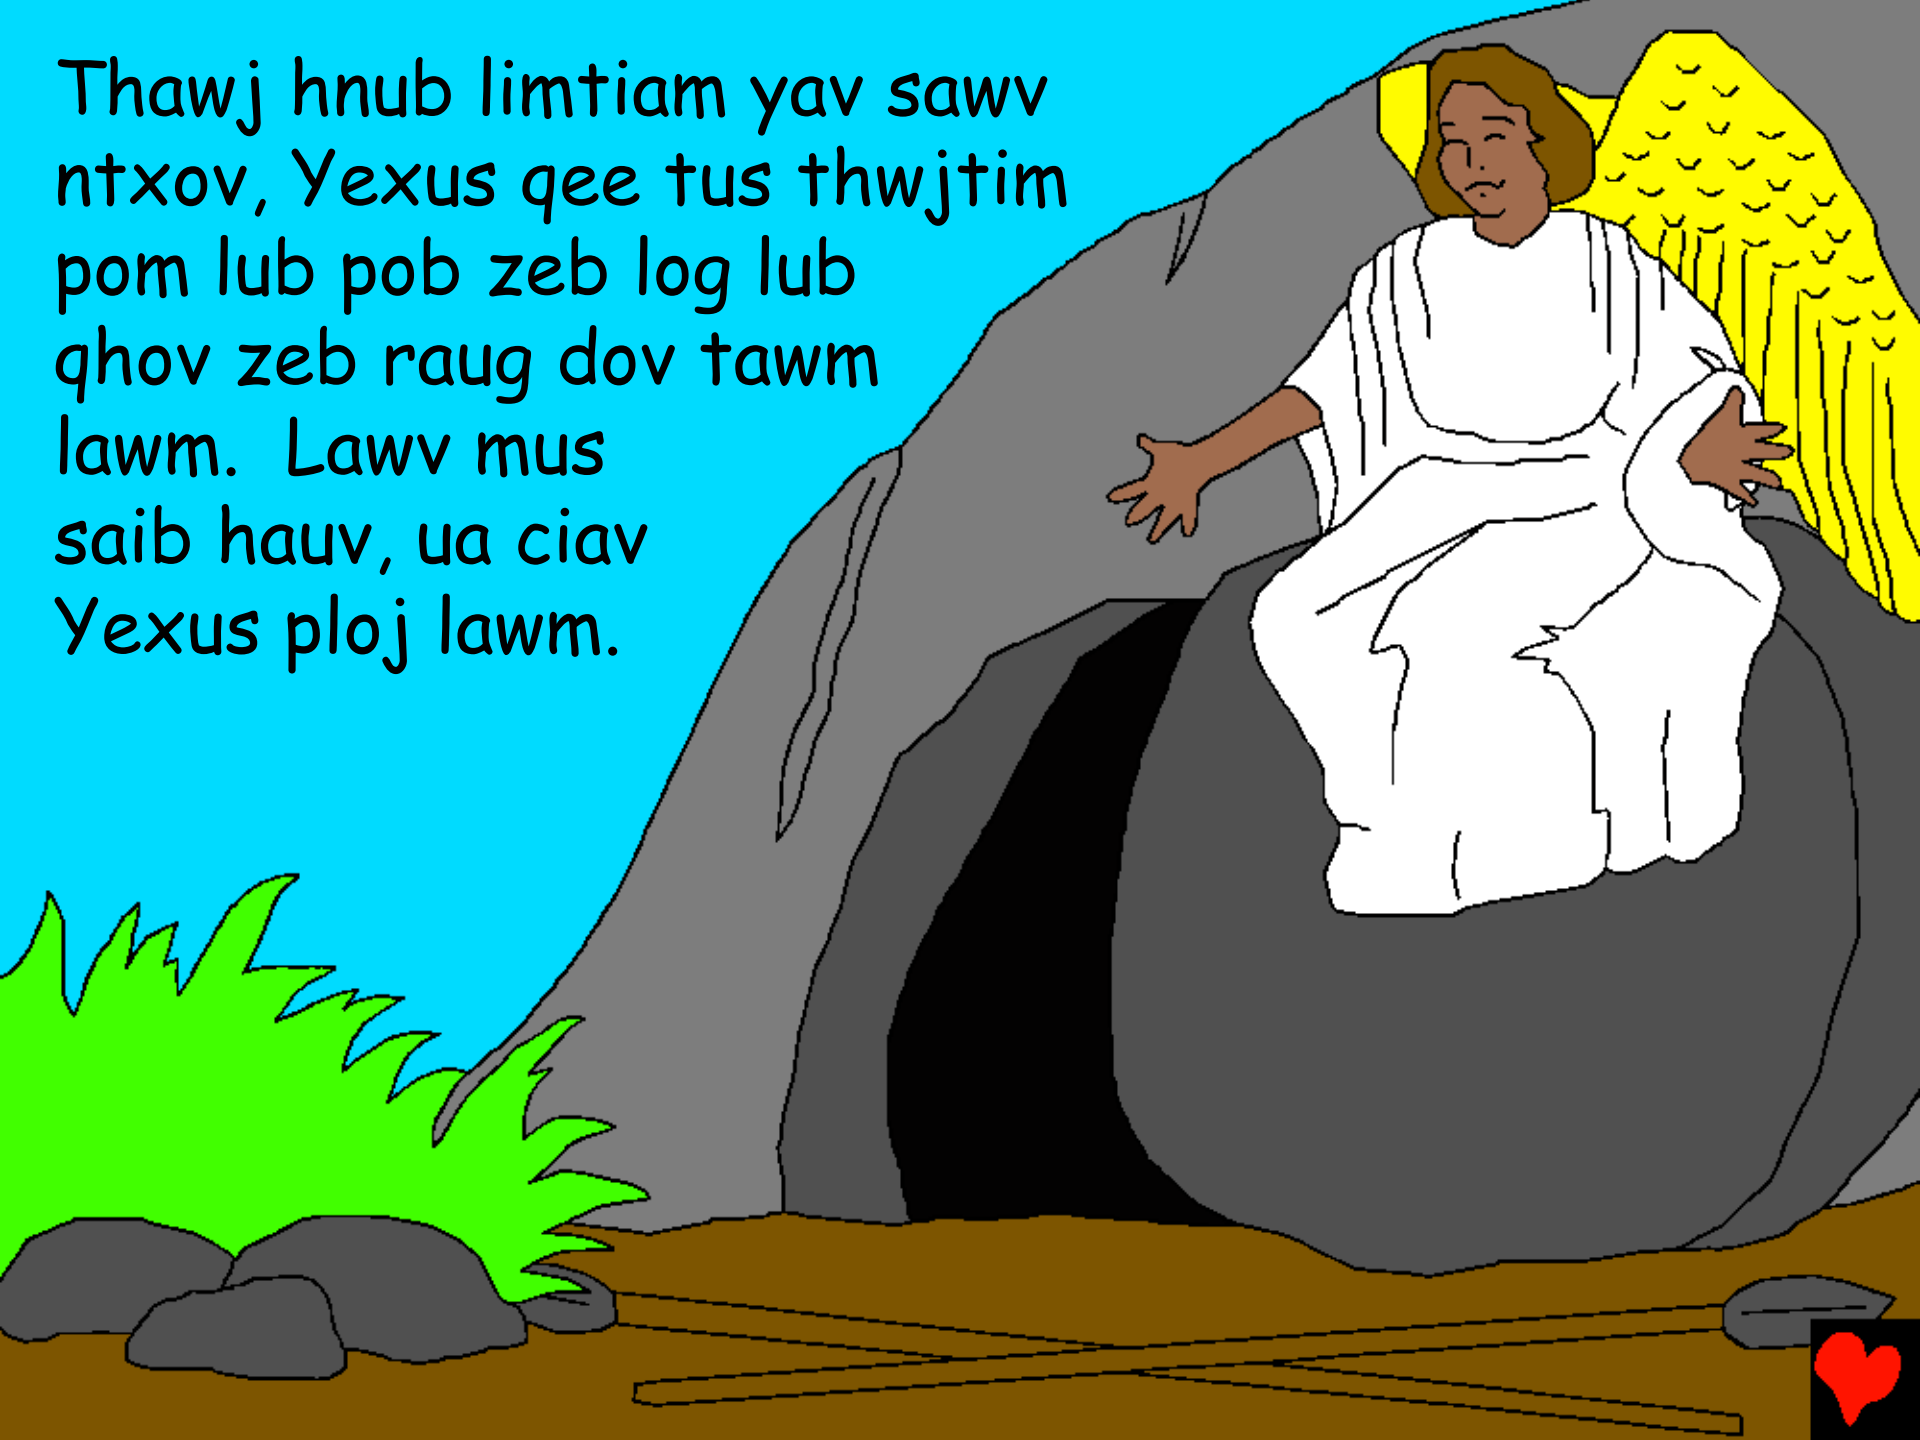

Cov tub rog Loos
leem lub cim rau
thiab zov lub qhov
zeb. Tsis muaj
leejtwg mus tau
rau hauv - lossis
tawm los.

Yog zaj no xaus li no xwb,
ntshe yuav txaus tu siab
heev. Tiamsis Vajtswv
ua qee yam tshwj xeeb
heev. Yexus tsis
yog tuag ces
tag li ntawd!

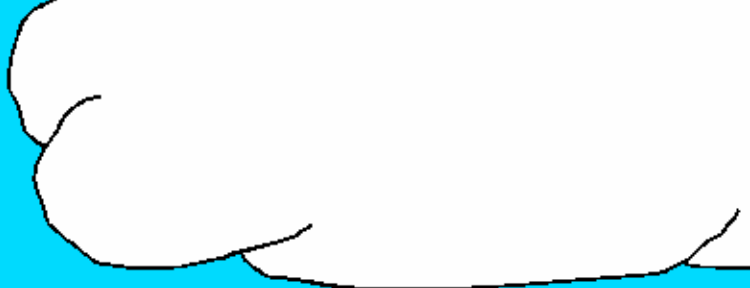

Thawj hnub limtiam yav sawv
ntxov, Yexus qee tus thwjt看
pom lub pob zeb log lub
qhov zeb raug dov tawm
lawm. Lawv mus
saib hauv, ua ciav
Yexus ploj lawm.

Ib tus pojniam nyob ze ntawv quaj
quaj. Yexus tshwm rau nws pom.
Nws dhia zoo siab hlo rov los
qhia lwm tus thwjtim. "YEXUS
TSEEM MUAJ SIA NYOB!
YEXUS SAWV HAUV
QHOVTUAG ROV LOS
LAWM!"

Tomqab Yexus los tshwm rau nws cov
thwjt看 thiab muab Nws tej qhov ntsia hlau
rau lawv saib. Muaj tseeb li ntawv. YEXUS
ROV MUAJ SIA DUA LAWV! Nws zam
txim rau Petus uas tsis lees Nws, thiab kom
nws cov thwjt看 qhia txhua leejneeg txog
Nws. Ces Nws rov qab mus saum ntuj qhov
chaw uas nws nqis los lawm.

Thawj lub Koobtsheej Yexus Sawv Los

Ib zaj dabneeg los ntawm Vajtswv cov lus,
Phau Vajlugkub,

tau pom nyob hauv

Mathais 26-28, Lukas 22-24,
Yauhas 12-21

"Koj tej lus qhia ua qhov kaj rau kuv pom kev."
Phau Ntawv Nkauj 119:130

Qhov Kawg

Zaj hauv phau Vajlugkub no qhia peb
txog peb tus Vajtswv uas zoo kawg nkaus. Tus uas
tsim peb tibneeg thiab tus uas xav kom peb paub txog Nws.

Vajtswv paub haitias peb tau ua tej yam tsis zoo uas Nws muab hu ua kev
txhaum. Txoj kev them txim txhaum yog kev tuag, tiamsis Vajtswv hlub
koj heev Nws thiaj li xa Nws tib leejtub, Yexus, los tuag rau saum tus
ntoo khaub lig kom them tau koj lub txim txhaum. Tswv Yexus tau ciaj
sawv rov qab los thiab rov mus pem ntuj ceebtsheej lawm! Yog koj ntseeg
txog Yexus thiab thov kom Nws zam koj lub txim txhaum, ces Nws yuav
zam pub rau koj! Nws yuav los nyob hauv koj, thiab koj
yuav nyob hauv Nws mus ib txhiab ib txhis.

Yog koj ntseeg tias nov yog qhov tseeb, ces hais zaj lus no rau Vajtswv:
Tus Tswv Yexus, kuv ntseeg tias Koj yog Vajtswv thiab koj tau yug los ua
neeg kom tau tuag theej kuv lub txim txhaum, thiab ziag no koj twb rov
muaj sia lawm. Thov los nyob rau hauv kuv lubneej thiab zam lub txim
txhaum pub rau kuv kom kuv tau muaj lubneej tshiab thiab kom ib hnuv
twg kuv tau nrog Koj nyob ua kev mus ib txhiab ib txhis. Thov pab kom
kuv coj haum Koj siab thiab kom kuv txawj nyob pub rau
Koj li yog Koj tus menyuam. Amen.

Nyeem Vajlugkub thiab/kom tau nrog Vajtswv
sib tham txhua hnuv! Yauhas 3:16
