A colorful illustration of a landscape. In the top left, a bright yellow sun with rays is partially obscured by a white cloud. The sun's rays are depicted as thick yellow and white beams. In the center, a white bull with a curved horn is shown in profile, facing right. The bull is standing on a dark grey ground. To the right of the bull, there is a wooden structure made of brown planks, resembling a platform or a small building. In the background, there are green hills and mountains. The sky is a solid light blue. The overall style is simple and illustrative.
