Azo atao ny fandikana na fakana ity tantara ity nefa tsy ho amin'ny fitadiavam-bola.

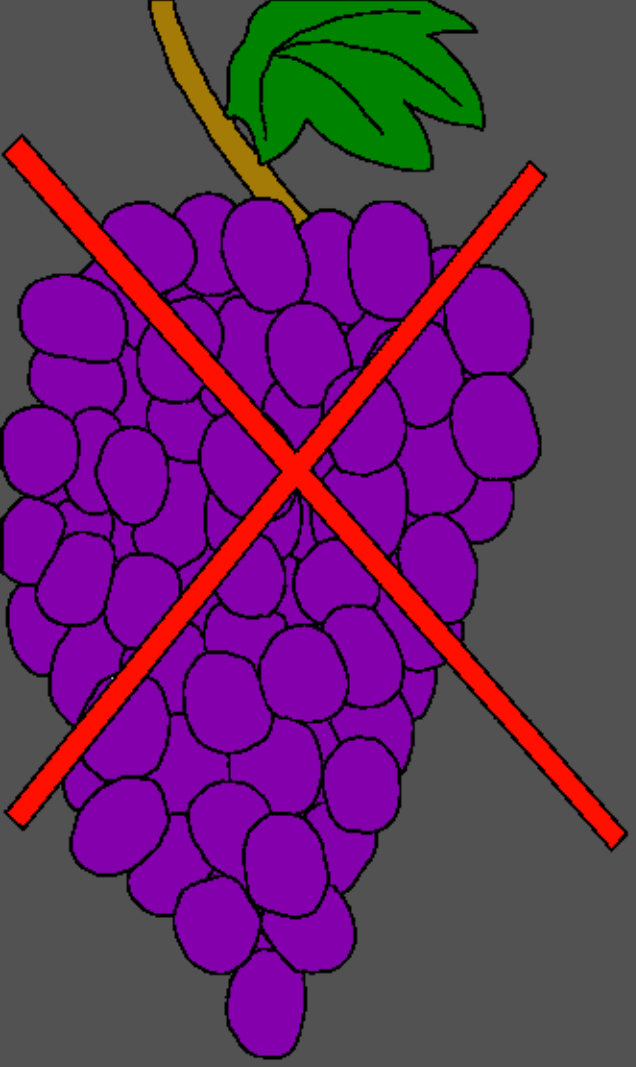
Taloha ela be, nisy lehilahy iray antsoina hoe Manôa nonina tao amin'ny tanin'ny Israely.

Indray andro, nisy anjelin'ny Tompo niseho tamin'ny vadin'i Manôa, ary nilaza taminy fa hiteraka

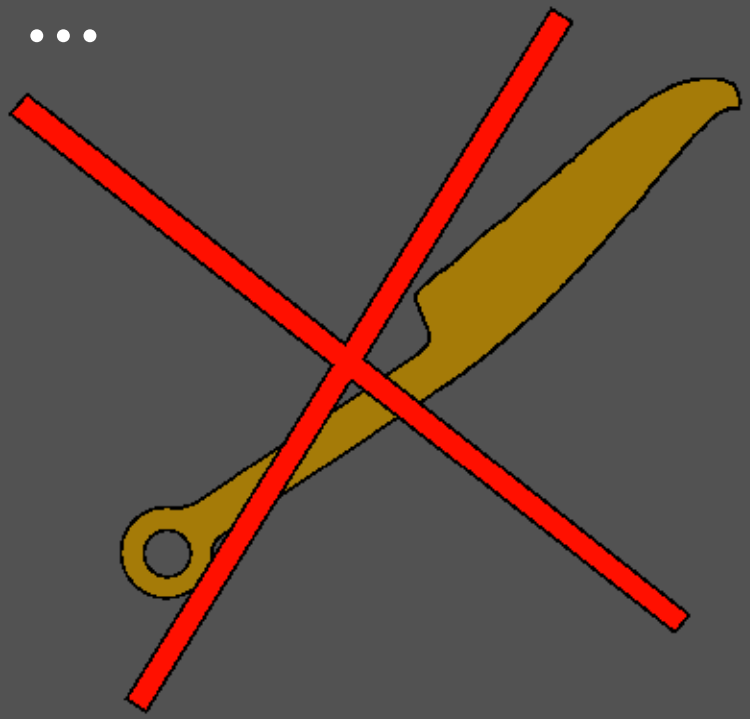
zazalahy izy.

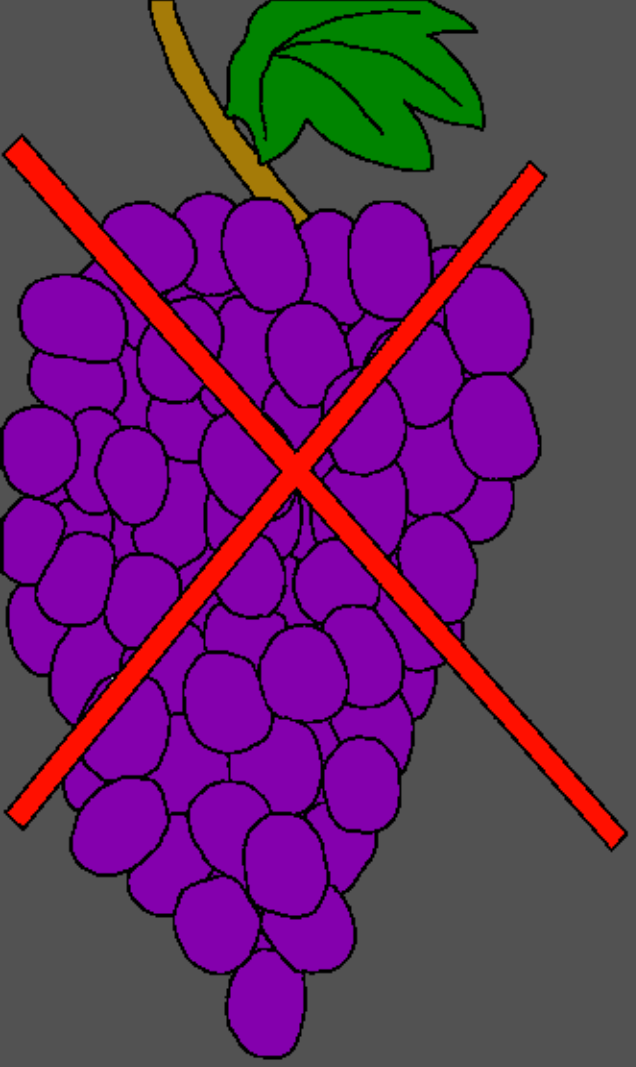
Nampahafantariny ny vadiny ny vaovao tsara.

Ary dia nivavaka i Manôa ka nanao hoe: Tompo o! ... Miverena aty aminay. Lazao anay izay tokony hataonay amin'ny zaza.

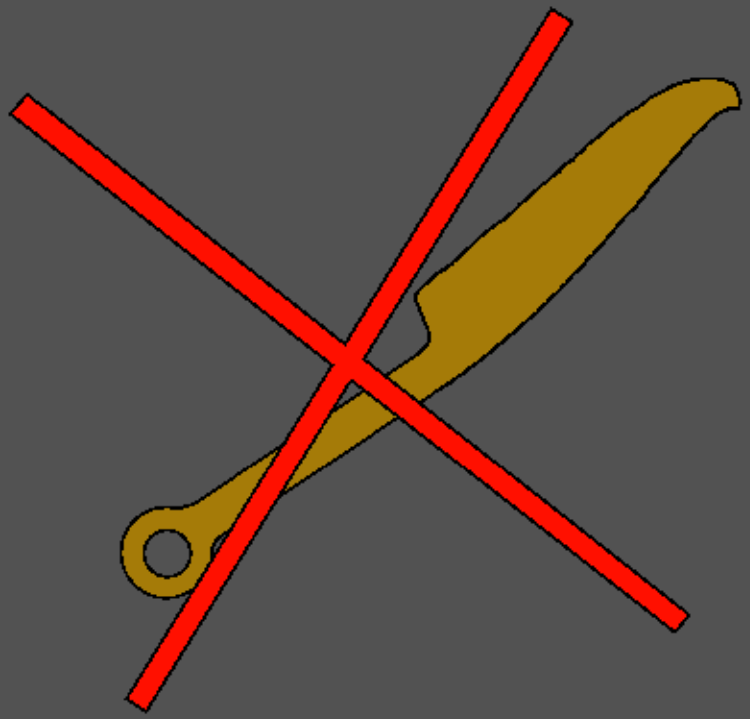


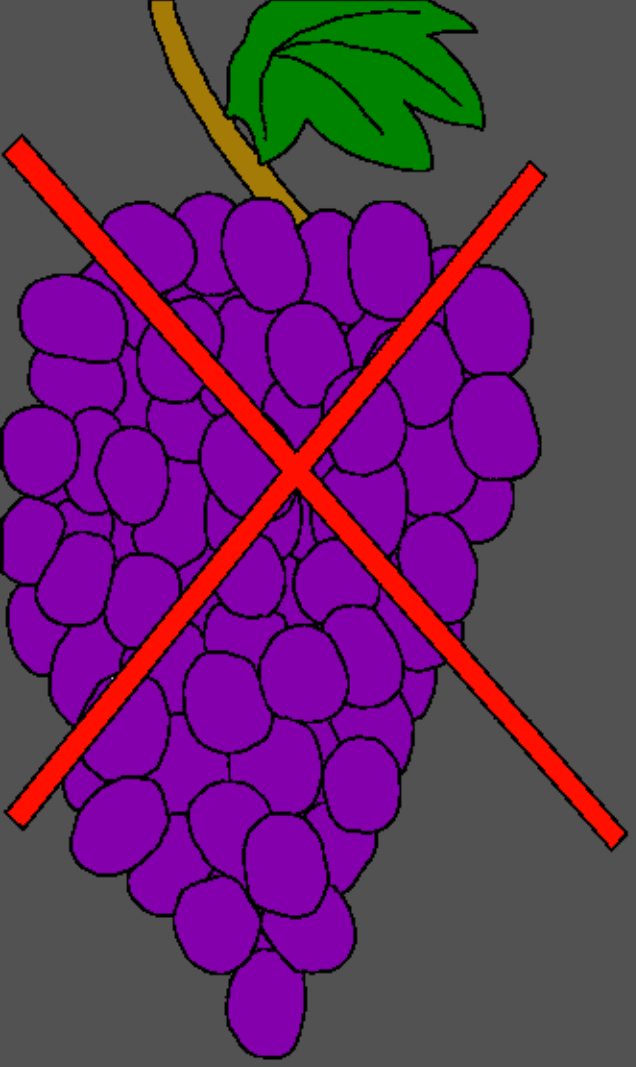
Ny anjely nilaza tamin'i Manôa fa tsy azo hetezana mihitsy ny volon'ilay zaza ho teraka, ...



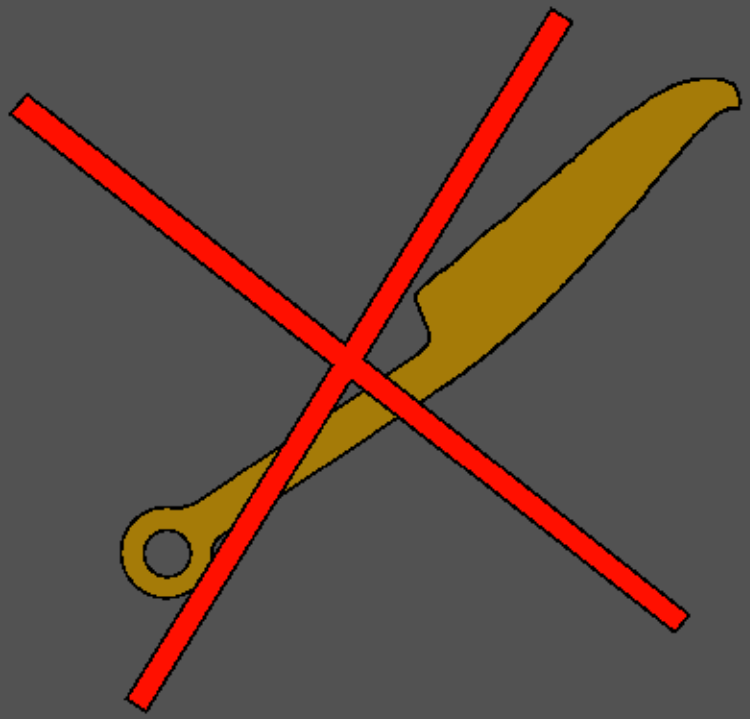


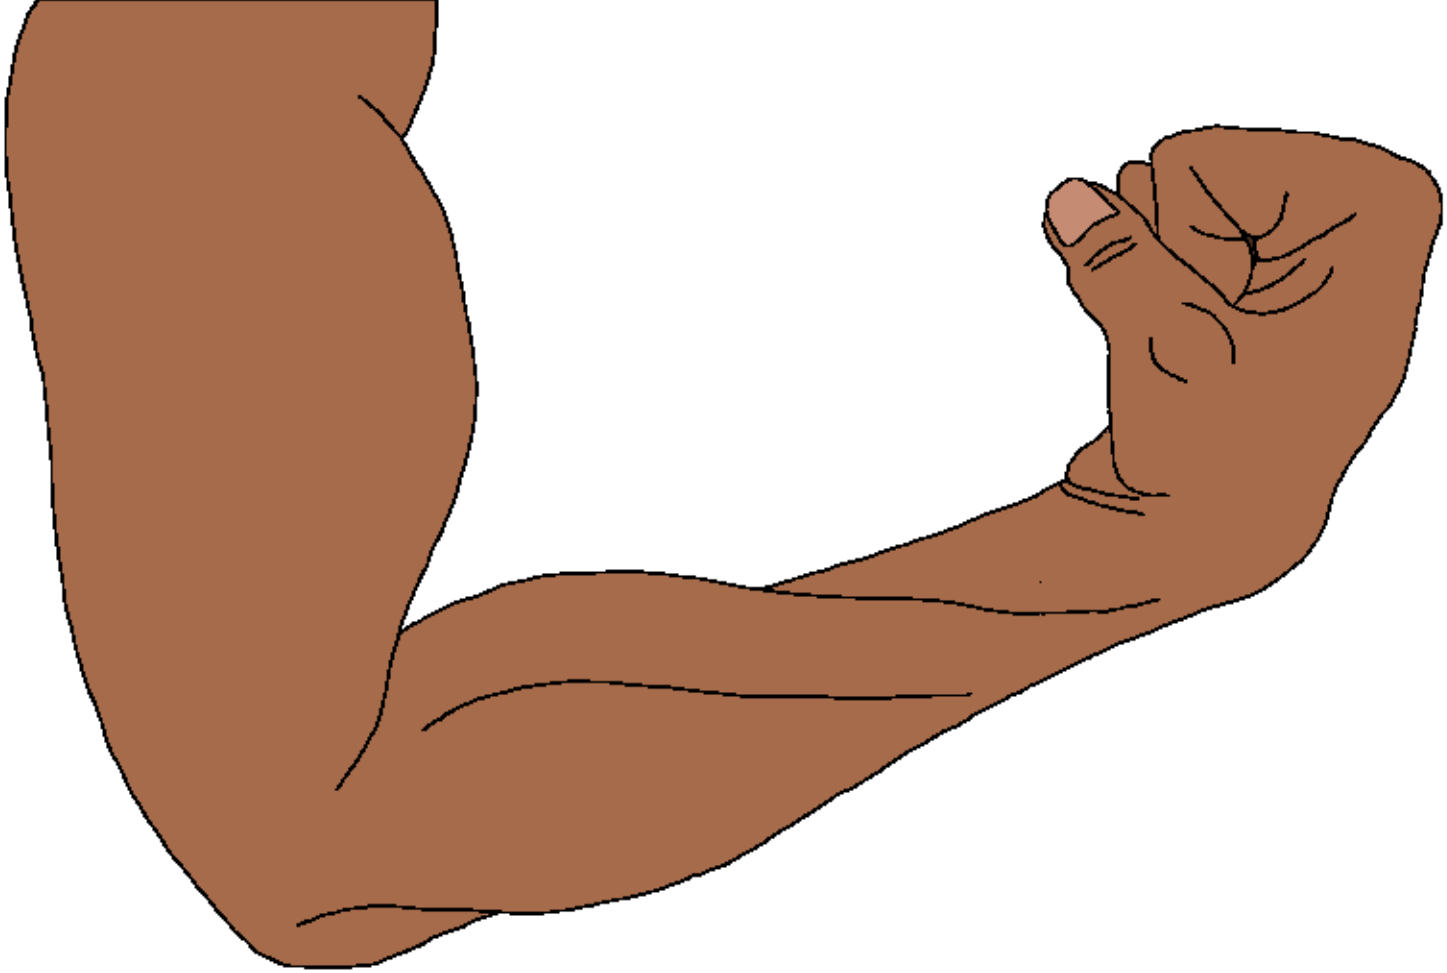
... tsy mahazo misotro zava-pisotro misy alikaola sy sakafo maloto ihany koa izy.



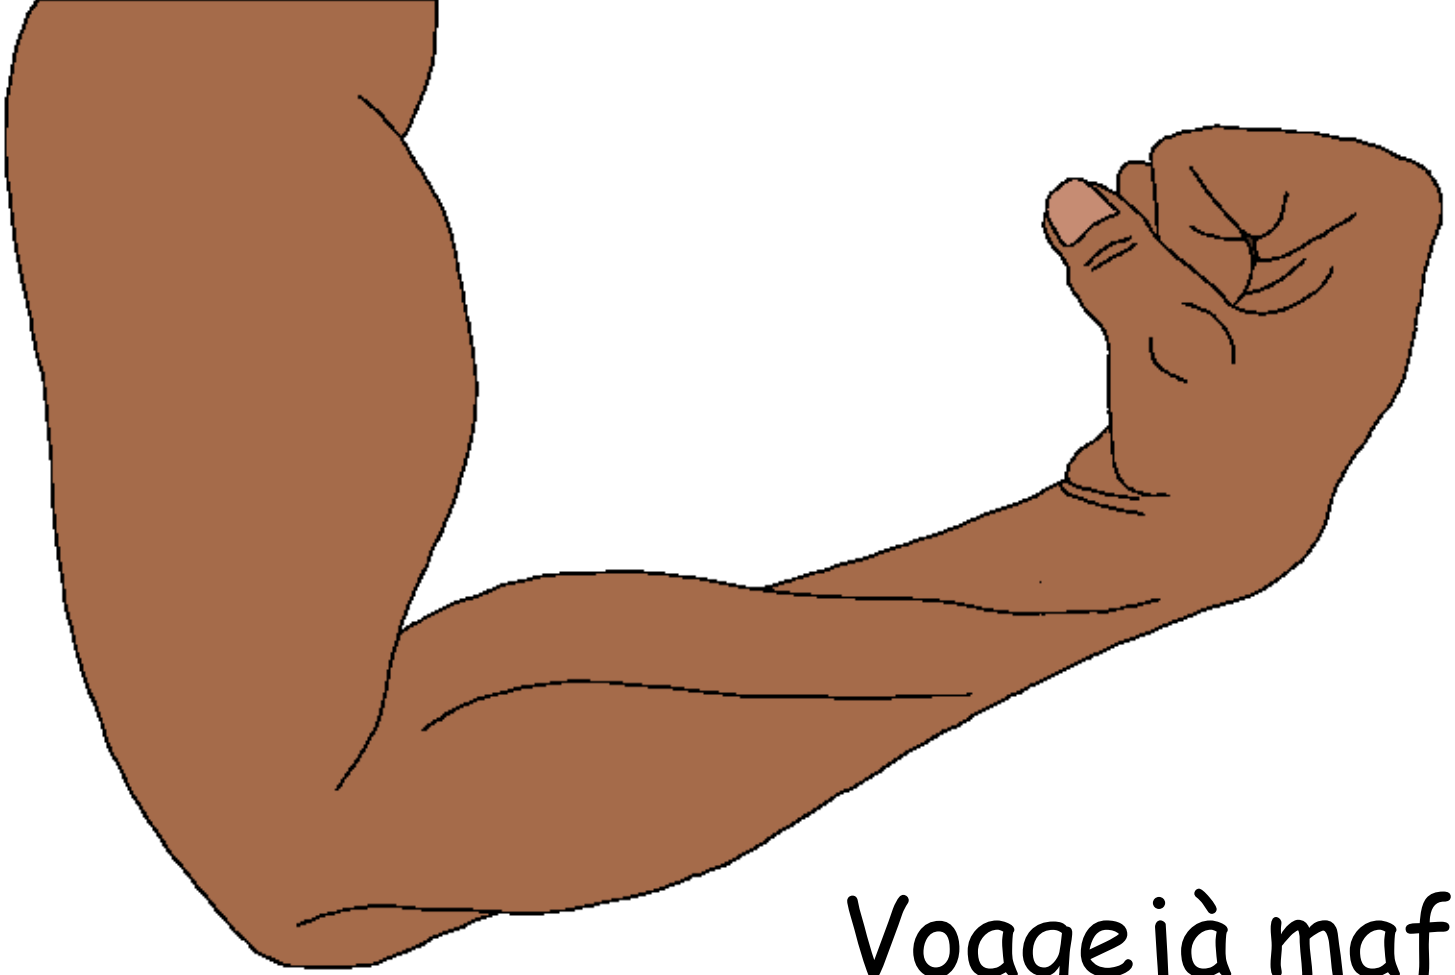


Nisafidy ity zaza ity Andriamanitra mba ho mpitsara, hitarika ny Israely.

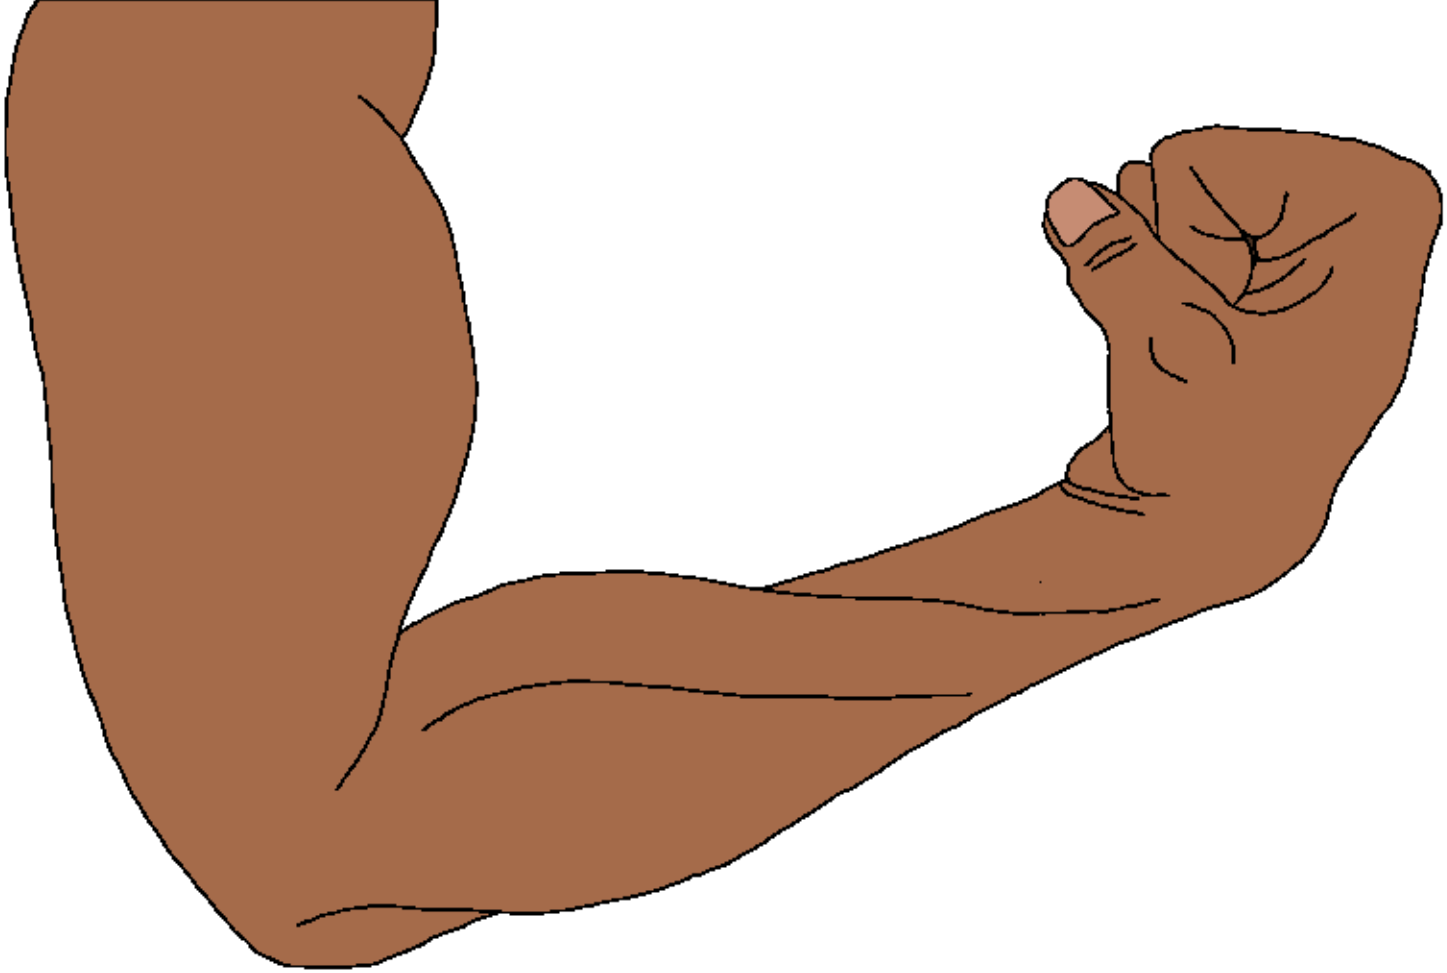




Tena nila fanampiana tokoa
ireo vahoakan'Andriamanitra.



Voagejà mafy ny Filistinina izay fahavalony izy ireo. Rehefa nivavaka anefa ireto vahoaka, dia nihaino azy Andriamanitra.



Nandefa ity zaza izay ho lasa lehilahy matanjaka indrindra eran-tany ity izy, hanavotra azy ireo.

Ary nitera-dahy tokoa ravehivahy ka ny anarany nataony hoe: Samsona. Dia nihalehibe ilay zaza, ary ny Tompo nitahy azy.

Nanomboka nanetsika azy ny Fanahin'i Tompo, ka dia lasa natanjaka be i Samsona.

Indray andro, nifanena tamin'ny liona tanora iray i Samsona, nierona nanatona azy ilay liona, noraisiny tamin'ny tanana avy hatrany ary novonoiny.

Andro vitsivitsy
tato aoriana, ...

... niverina nijery ny
fatin'ilay liona Samsona
ka nahita renintantely sy
tantely nivangongo tao anatiny.

Dia nalainy tamin'ny
tanana izany ary nohaniny.

Nanao ankamantatra
iray izy: "Ilay mihinana
no ipoiran'ny hanina, ilay
mahery no ipoiran'ny mamy".

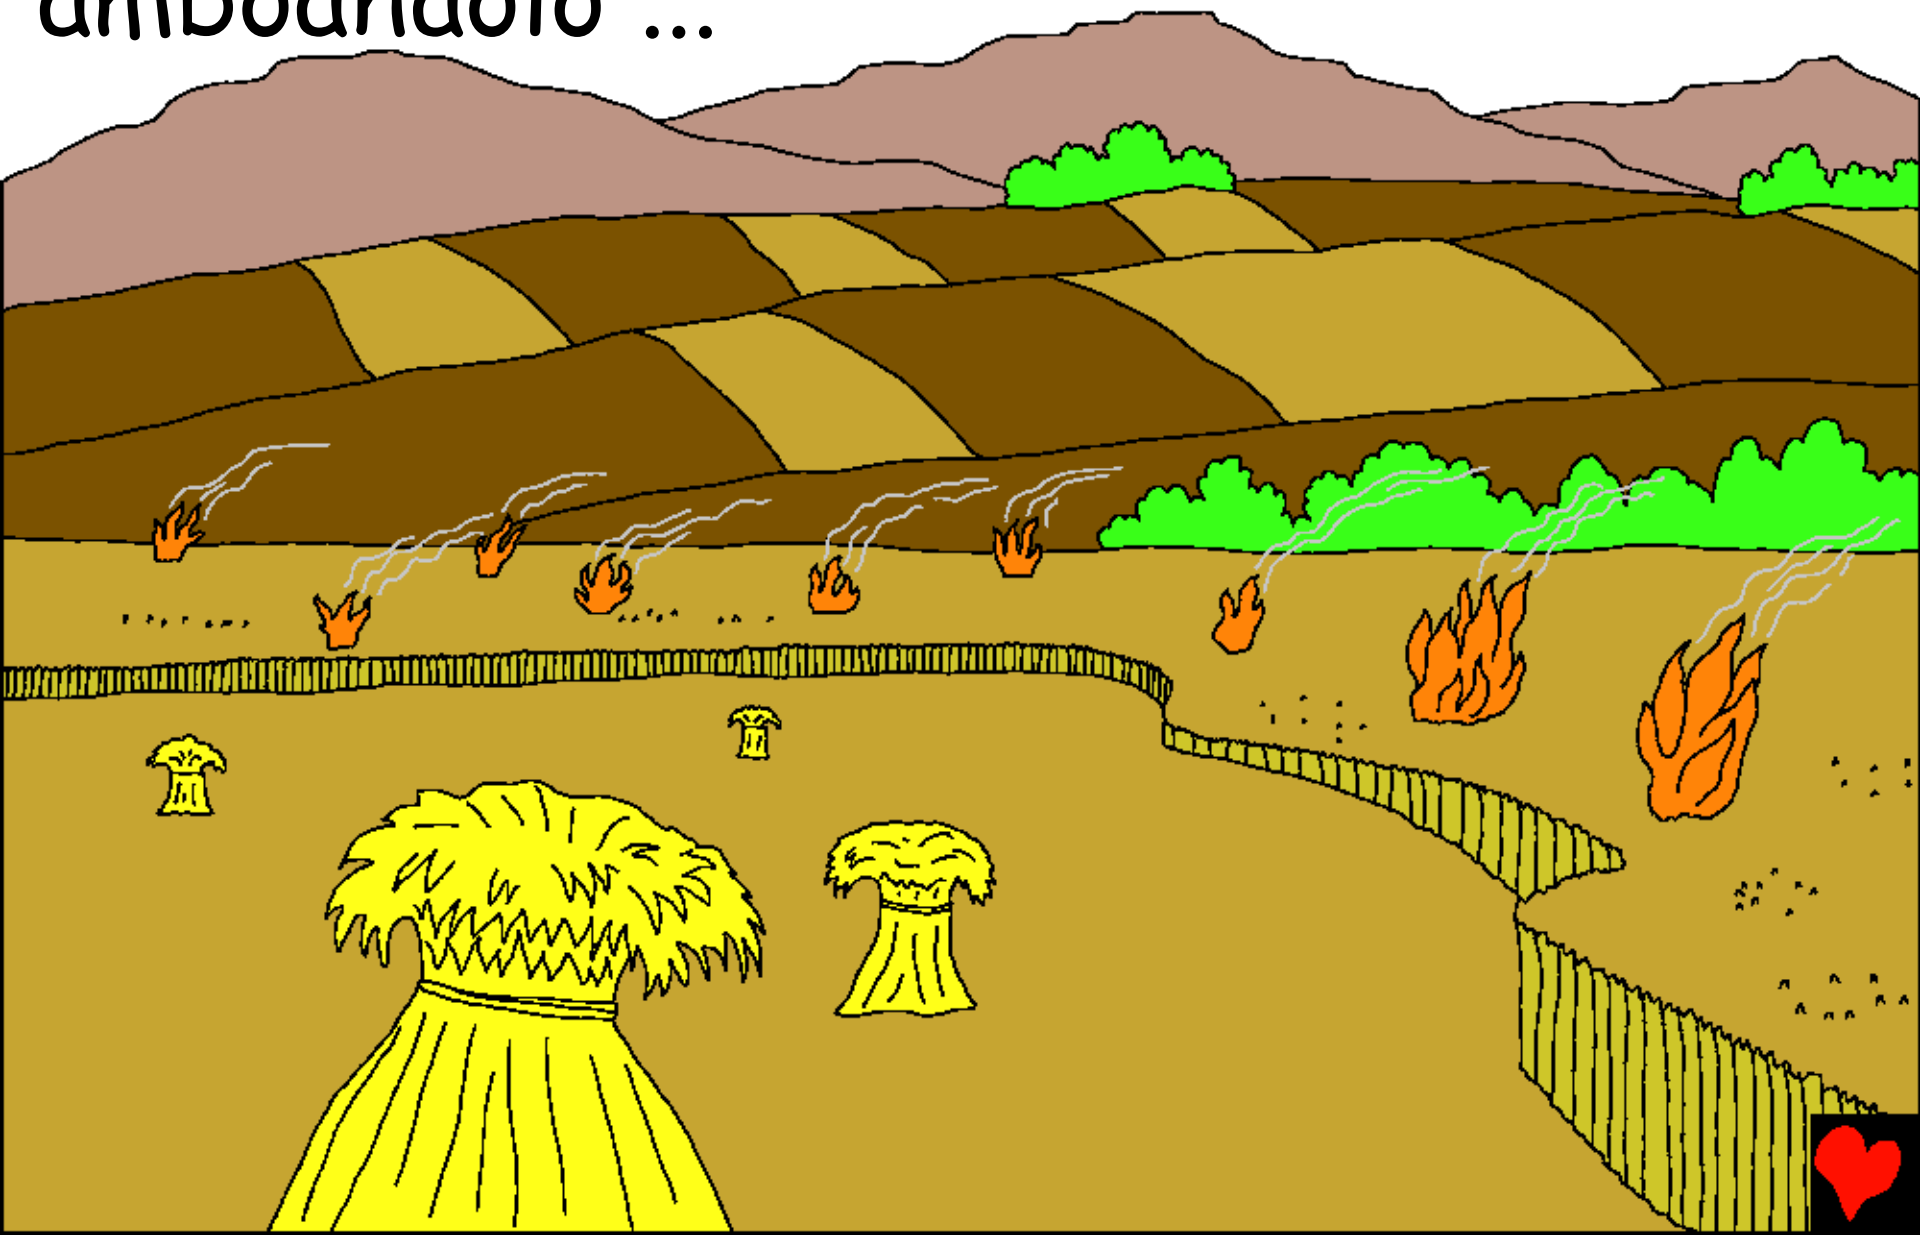
Tsy nisy
nahalala ny valin'ilay
ankamantatra na iray
aza – saingy nolazain'ilay
vady vaovaon'i Samsona, ...

... izay Filistinina,
tamin'ny namany ny
valiny. Tezitra mafy
i Samsona noho izany.

Vao maika tezitra i Samsona rehefa nomen'ny Filistinina ho vadin'ny namany akaiky indrindra ny vadiny. Nanao valifaty izy. Tamin'ny fomba ahoana?

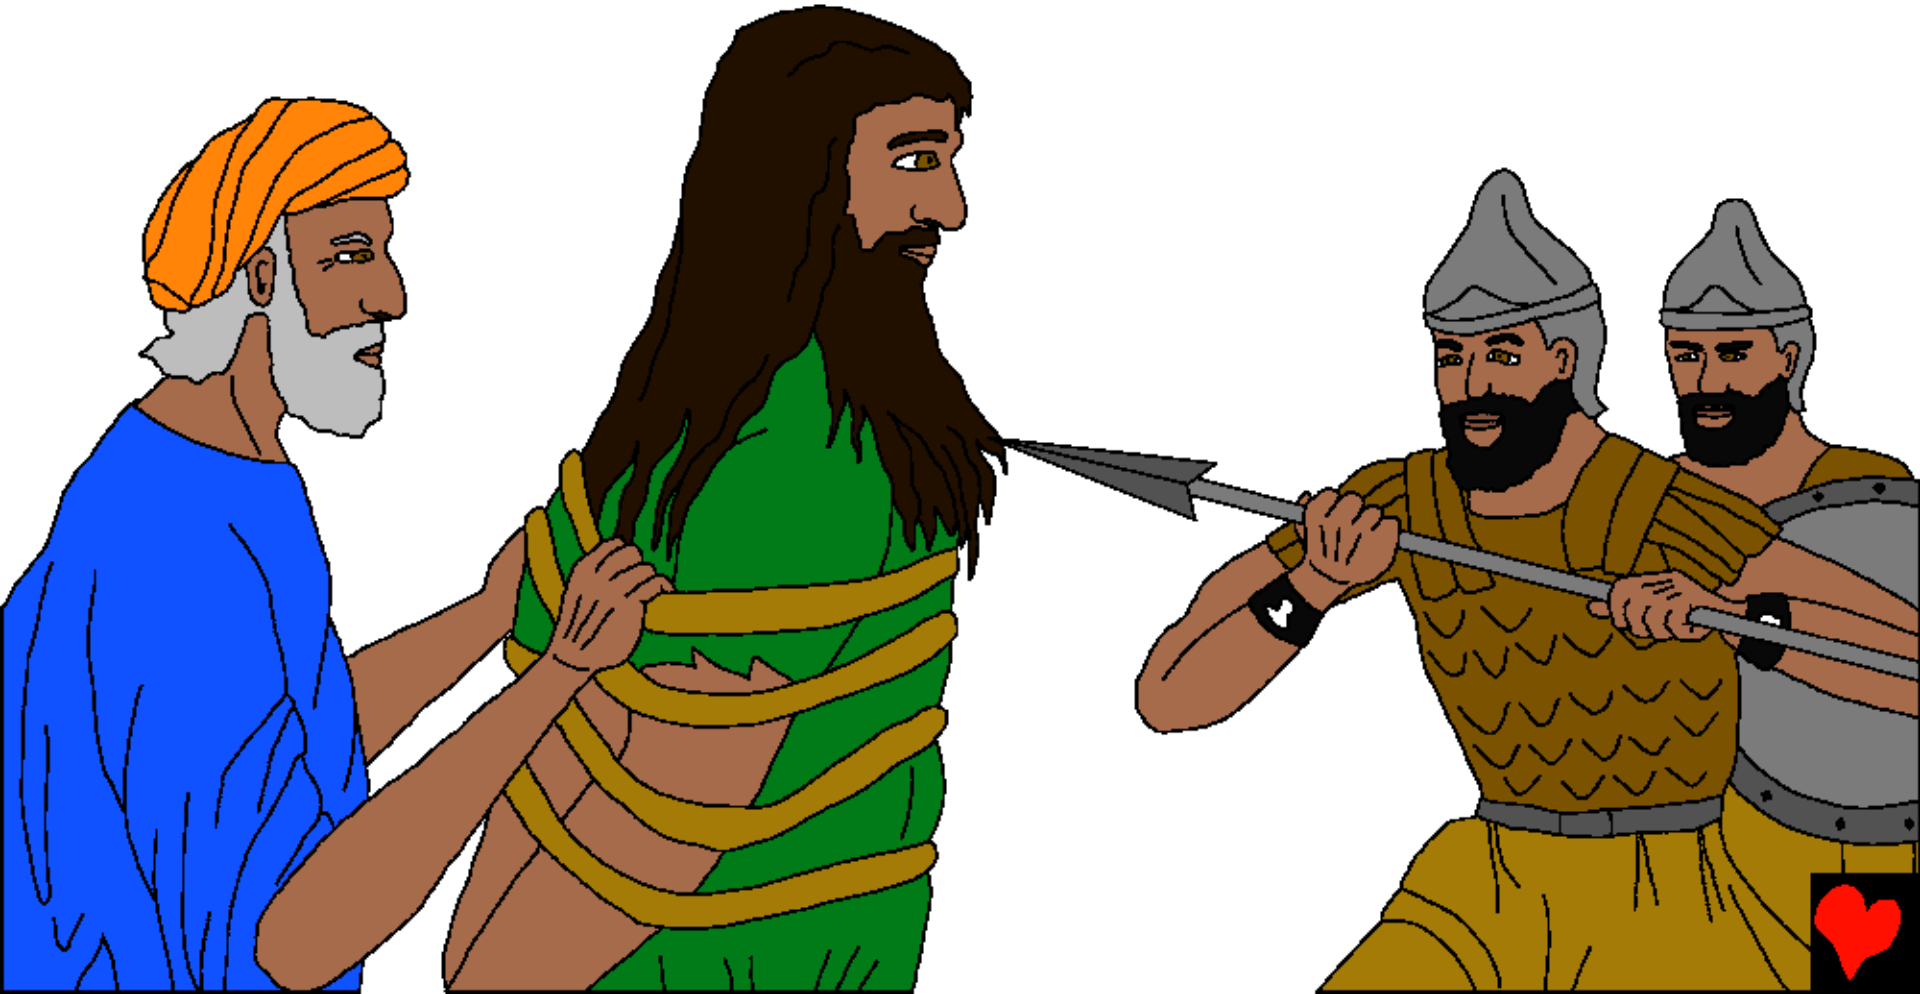
Nisambotra amboahaolo telonjato i Samsona, izay nafatony tsiroaroa tamin'ny rambony. Nasiany fanilo iray avy teo anelanelan'ireo rambo nifatotra.

Nalefan'i Samsona nony avy eo ireo amboahaolo ...

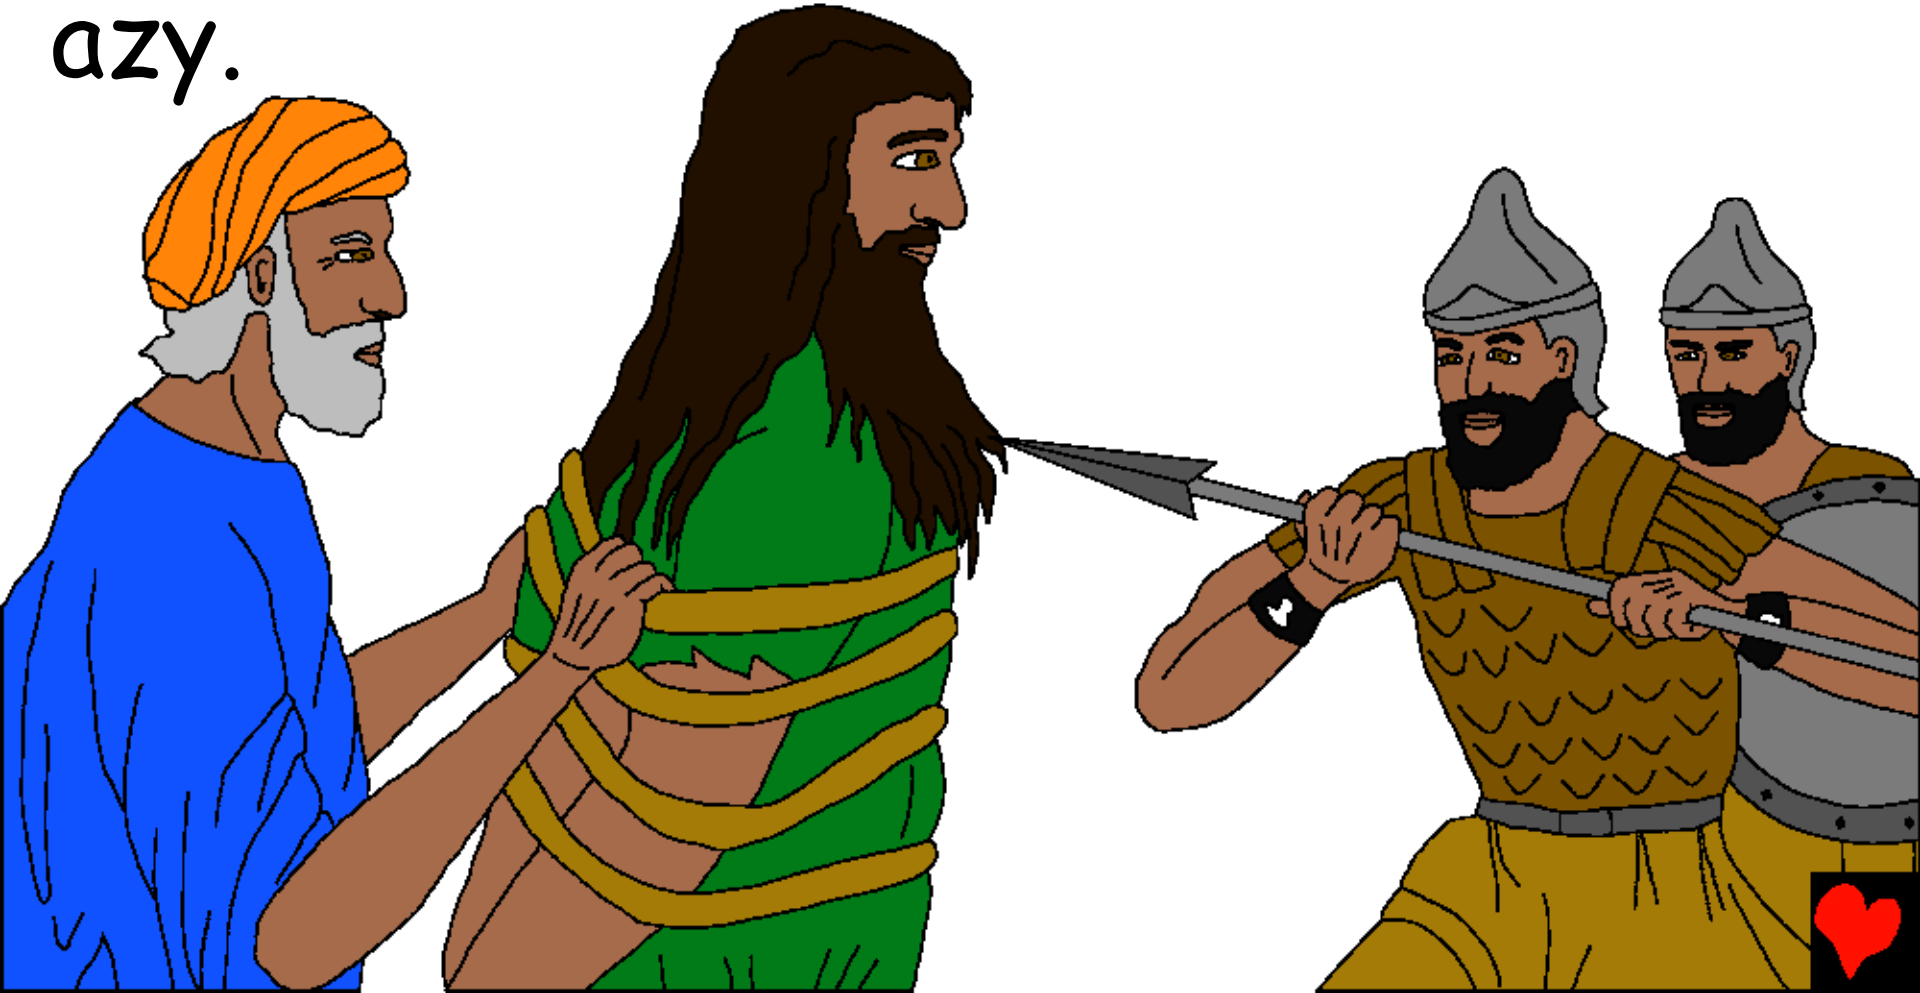


... hankeny amin'ny tanimbarin'ny Filistinina handoro ny voliny.

Mitady ny valifatiny ihany koa ireto Filistinina.

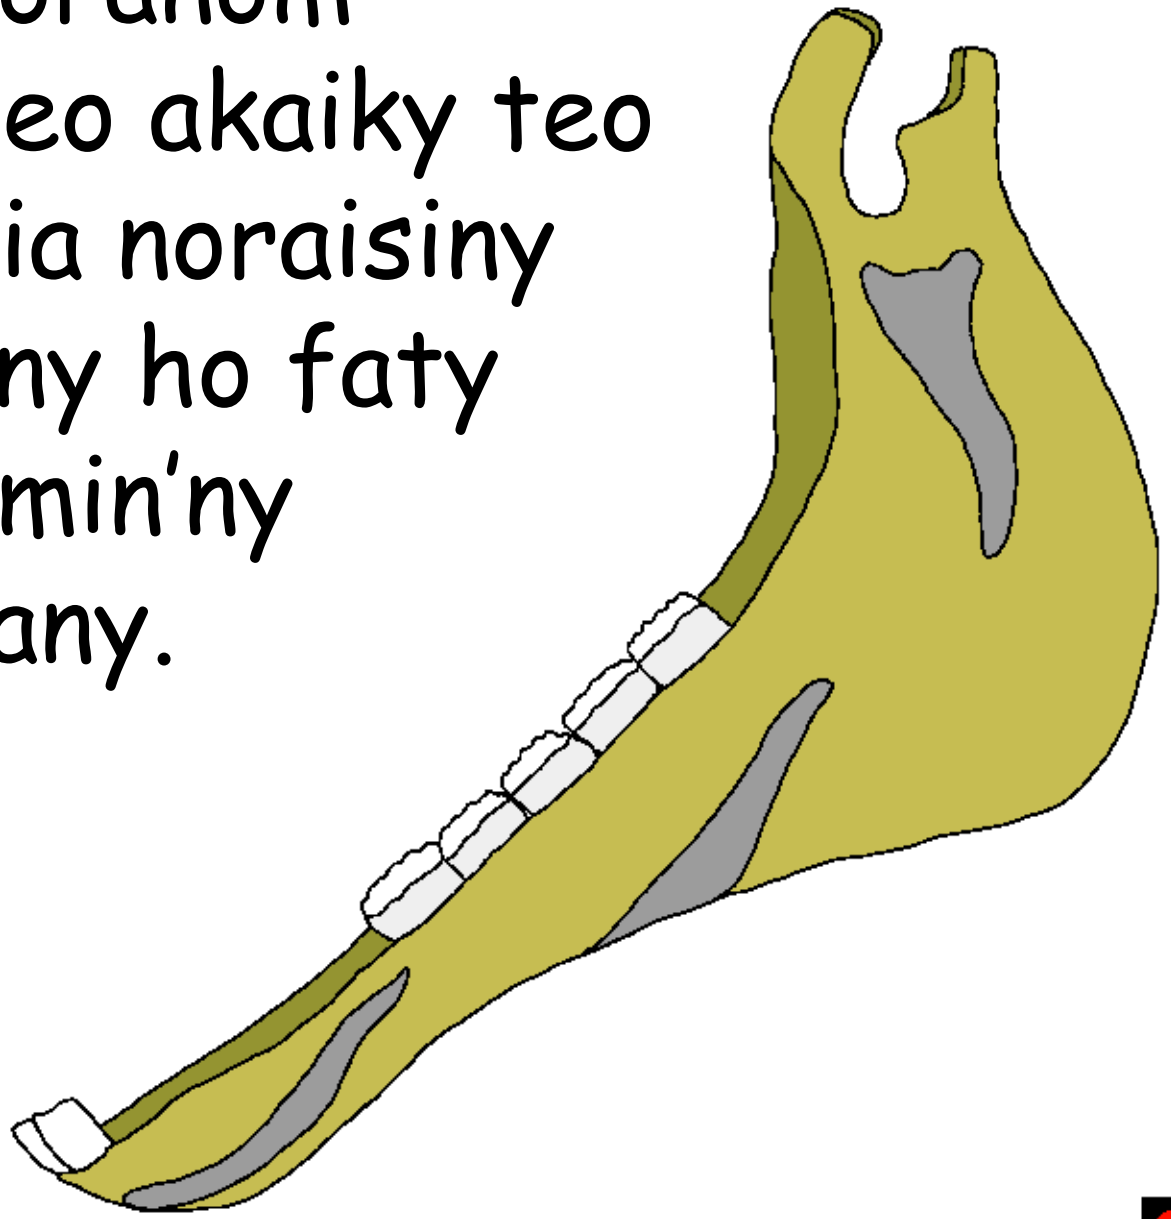


Nanaiky nosamborina i Samsona, nofatorana izy ary natolotra ny Filistinina izay mikasa ny hahafaty azy.



Saingy nilatsaka tamin'i
Samsona ny Fanahin'i
Tompo ka nivaha mora
foana ireo tady
namatorana azy.

Nahita valanoranom-boriky iray teo akaiky teo i Samsona, dia noraisiny ary namonoany ho faty 1000 lahy tamin'ny Filistinina izany.



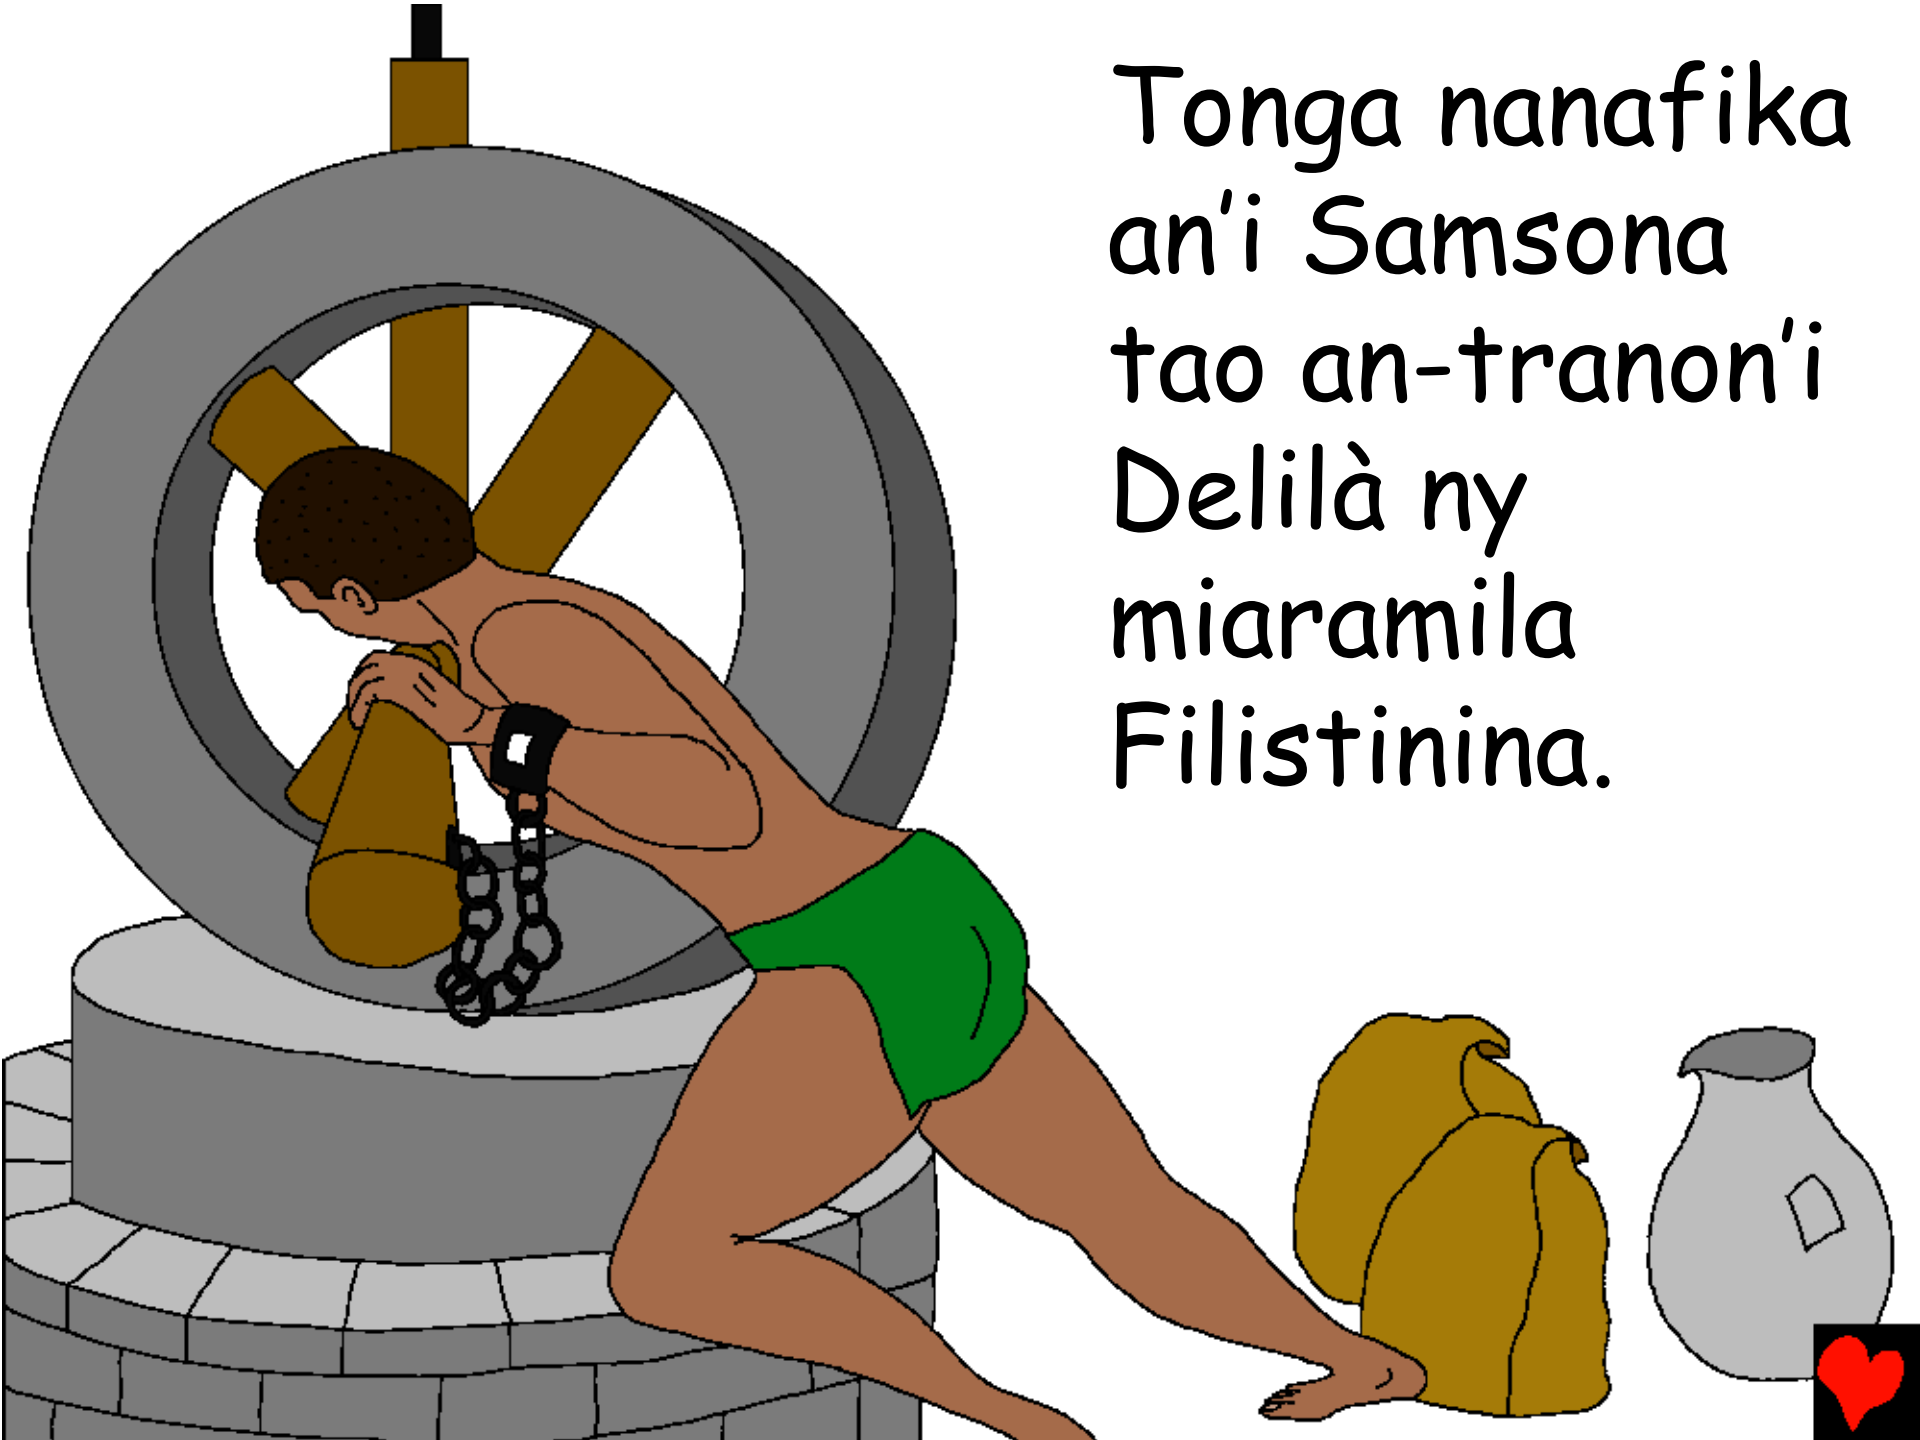
Nitady fatratra an'i Samsona ny Filistinina. Indray alina, nofandrihan'izy ireo tao amina tanana iray izy.

Nohidian'izy ireo mafy ny vavahadin'ilay tanàna. Saingy afaka nitsoaka i Samsona, ary nobetainy nanaraka azy ireo vavahadin'ny tanana.

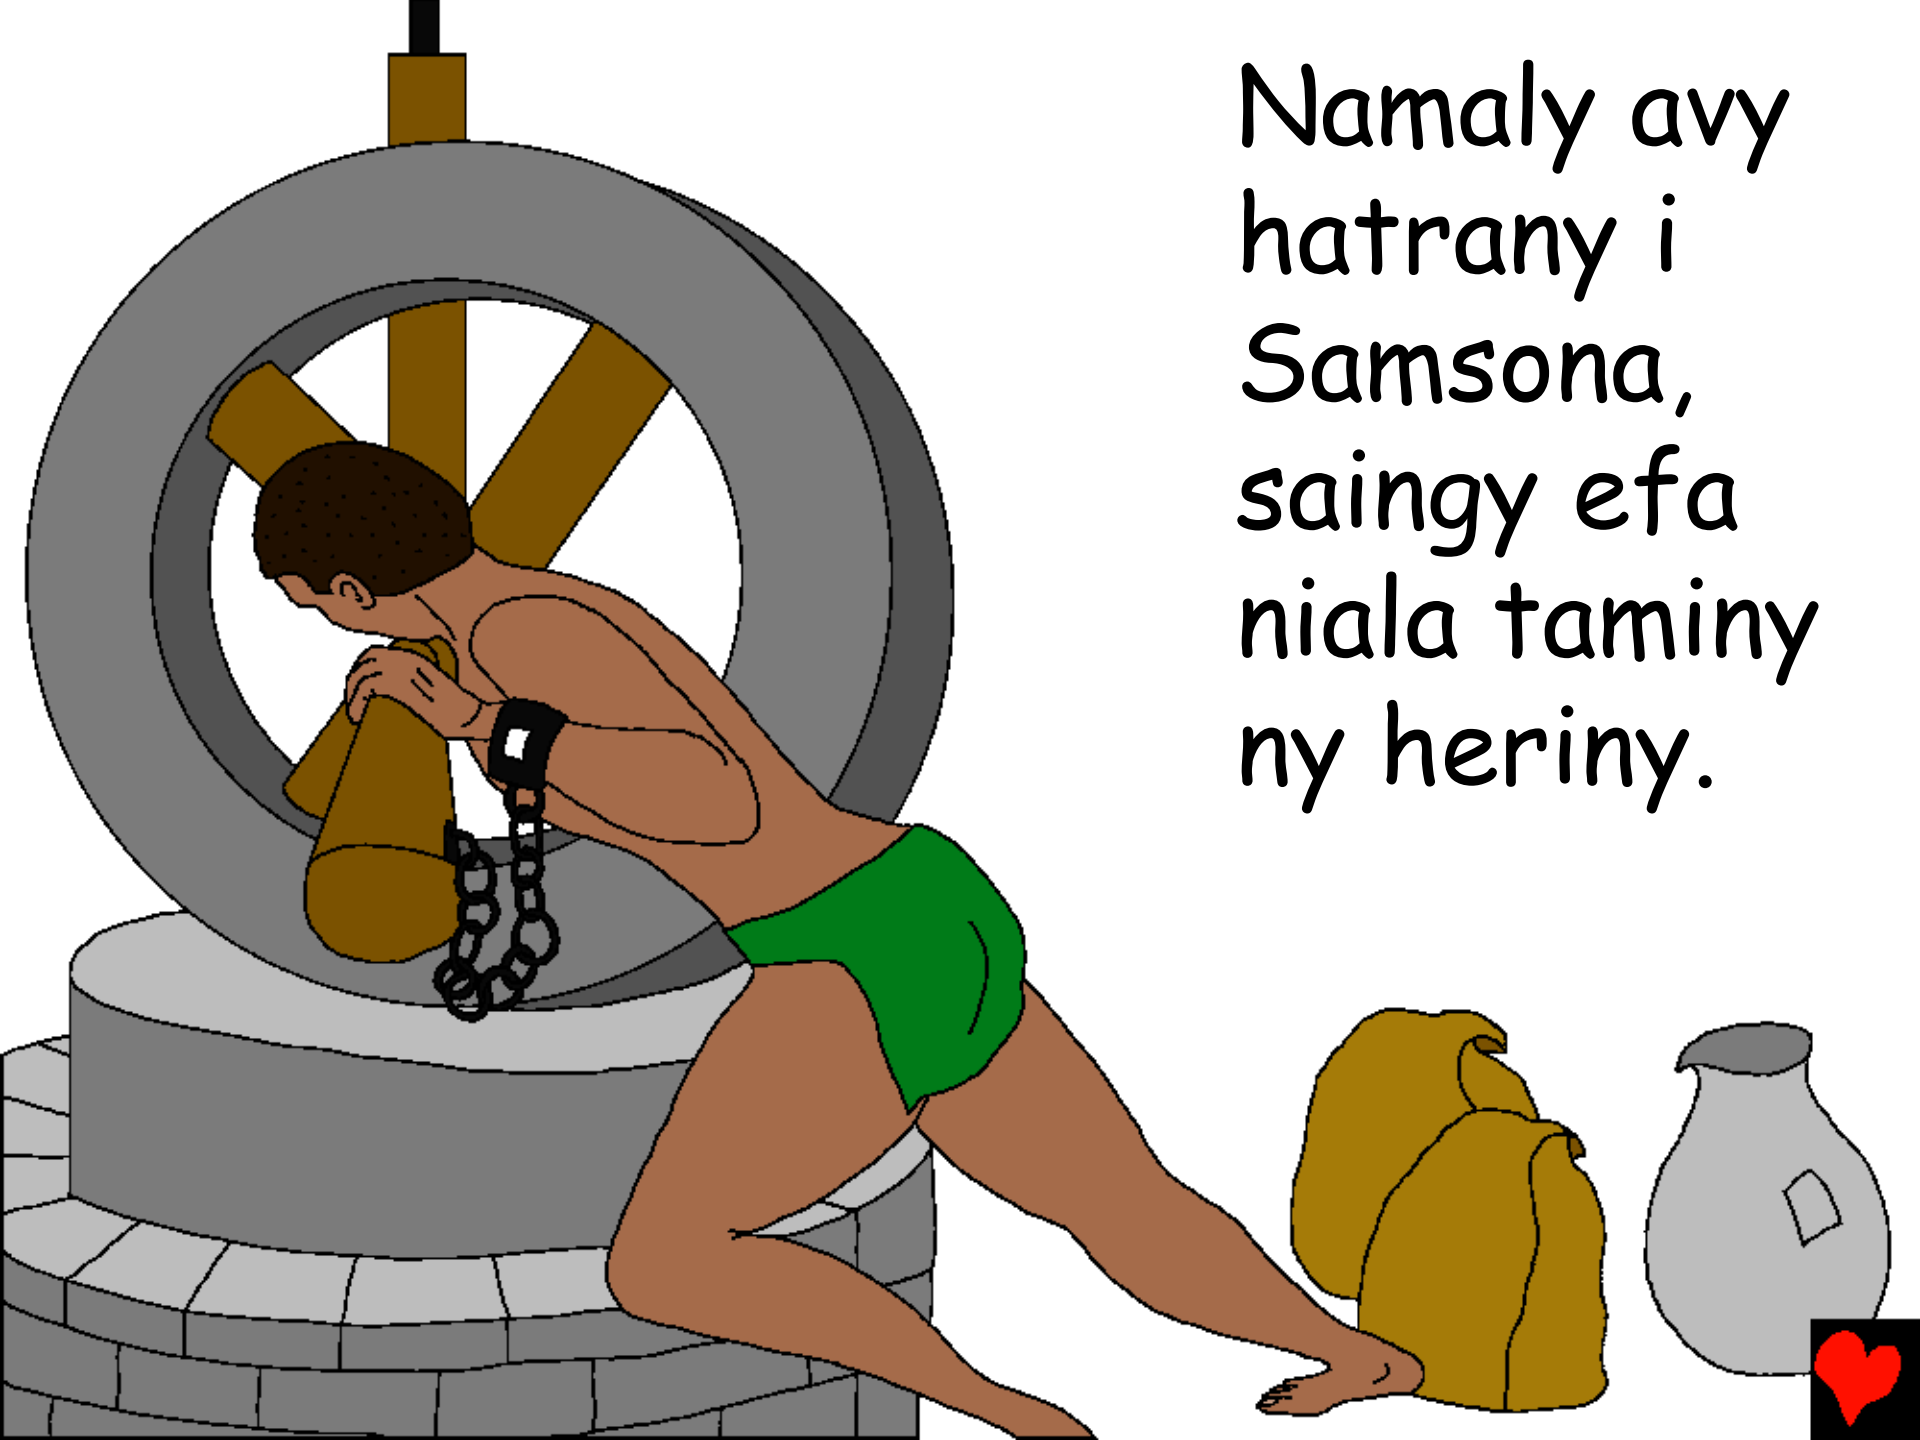
Saingy Samsona nihanalemy
teo anatrehan'Andriamanitra.
Ny Tompo dia nanome
tanjaka azy raha
toa ka mbola
nankato izay
nolazainy
izy.

Indray andro, namboraka
ny tsiambaratelon'ny
tanjany tamin'i
Delilà, vehivavy
mpitsikilo
Filistinina,
i Samsona.

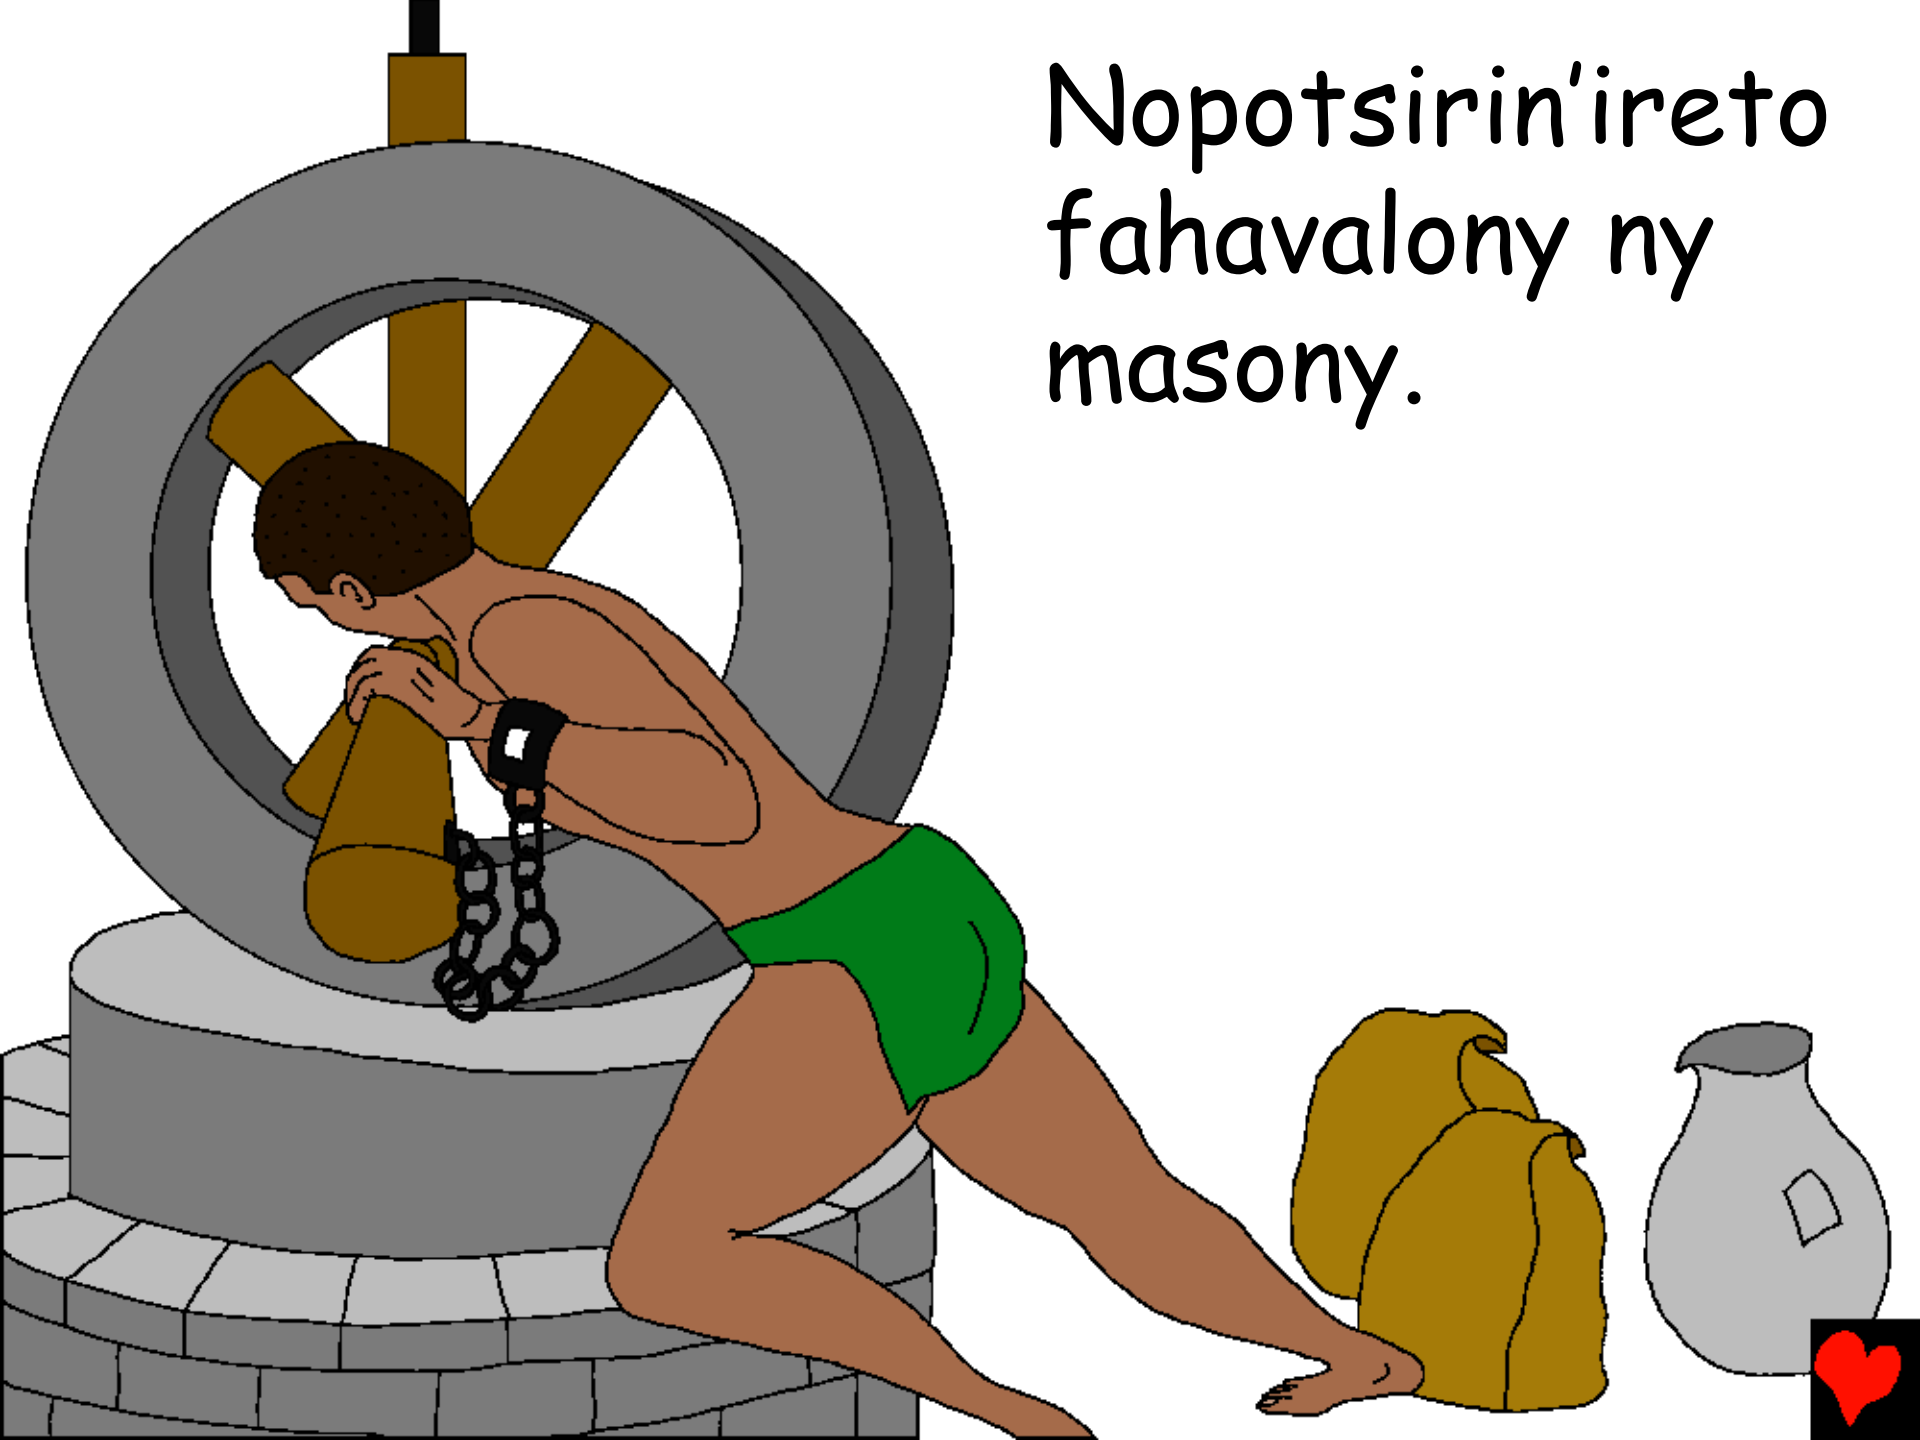
Raha resin-tory iny ary i Samsona dia notapahanan'i Delilà tsimoramora ny volony.



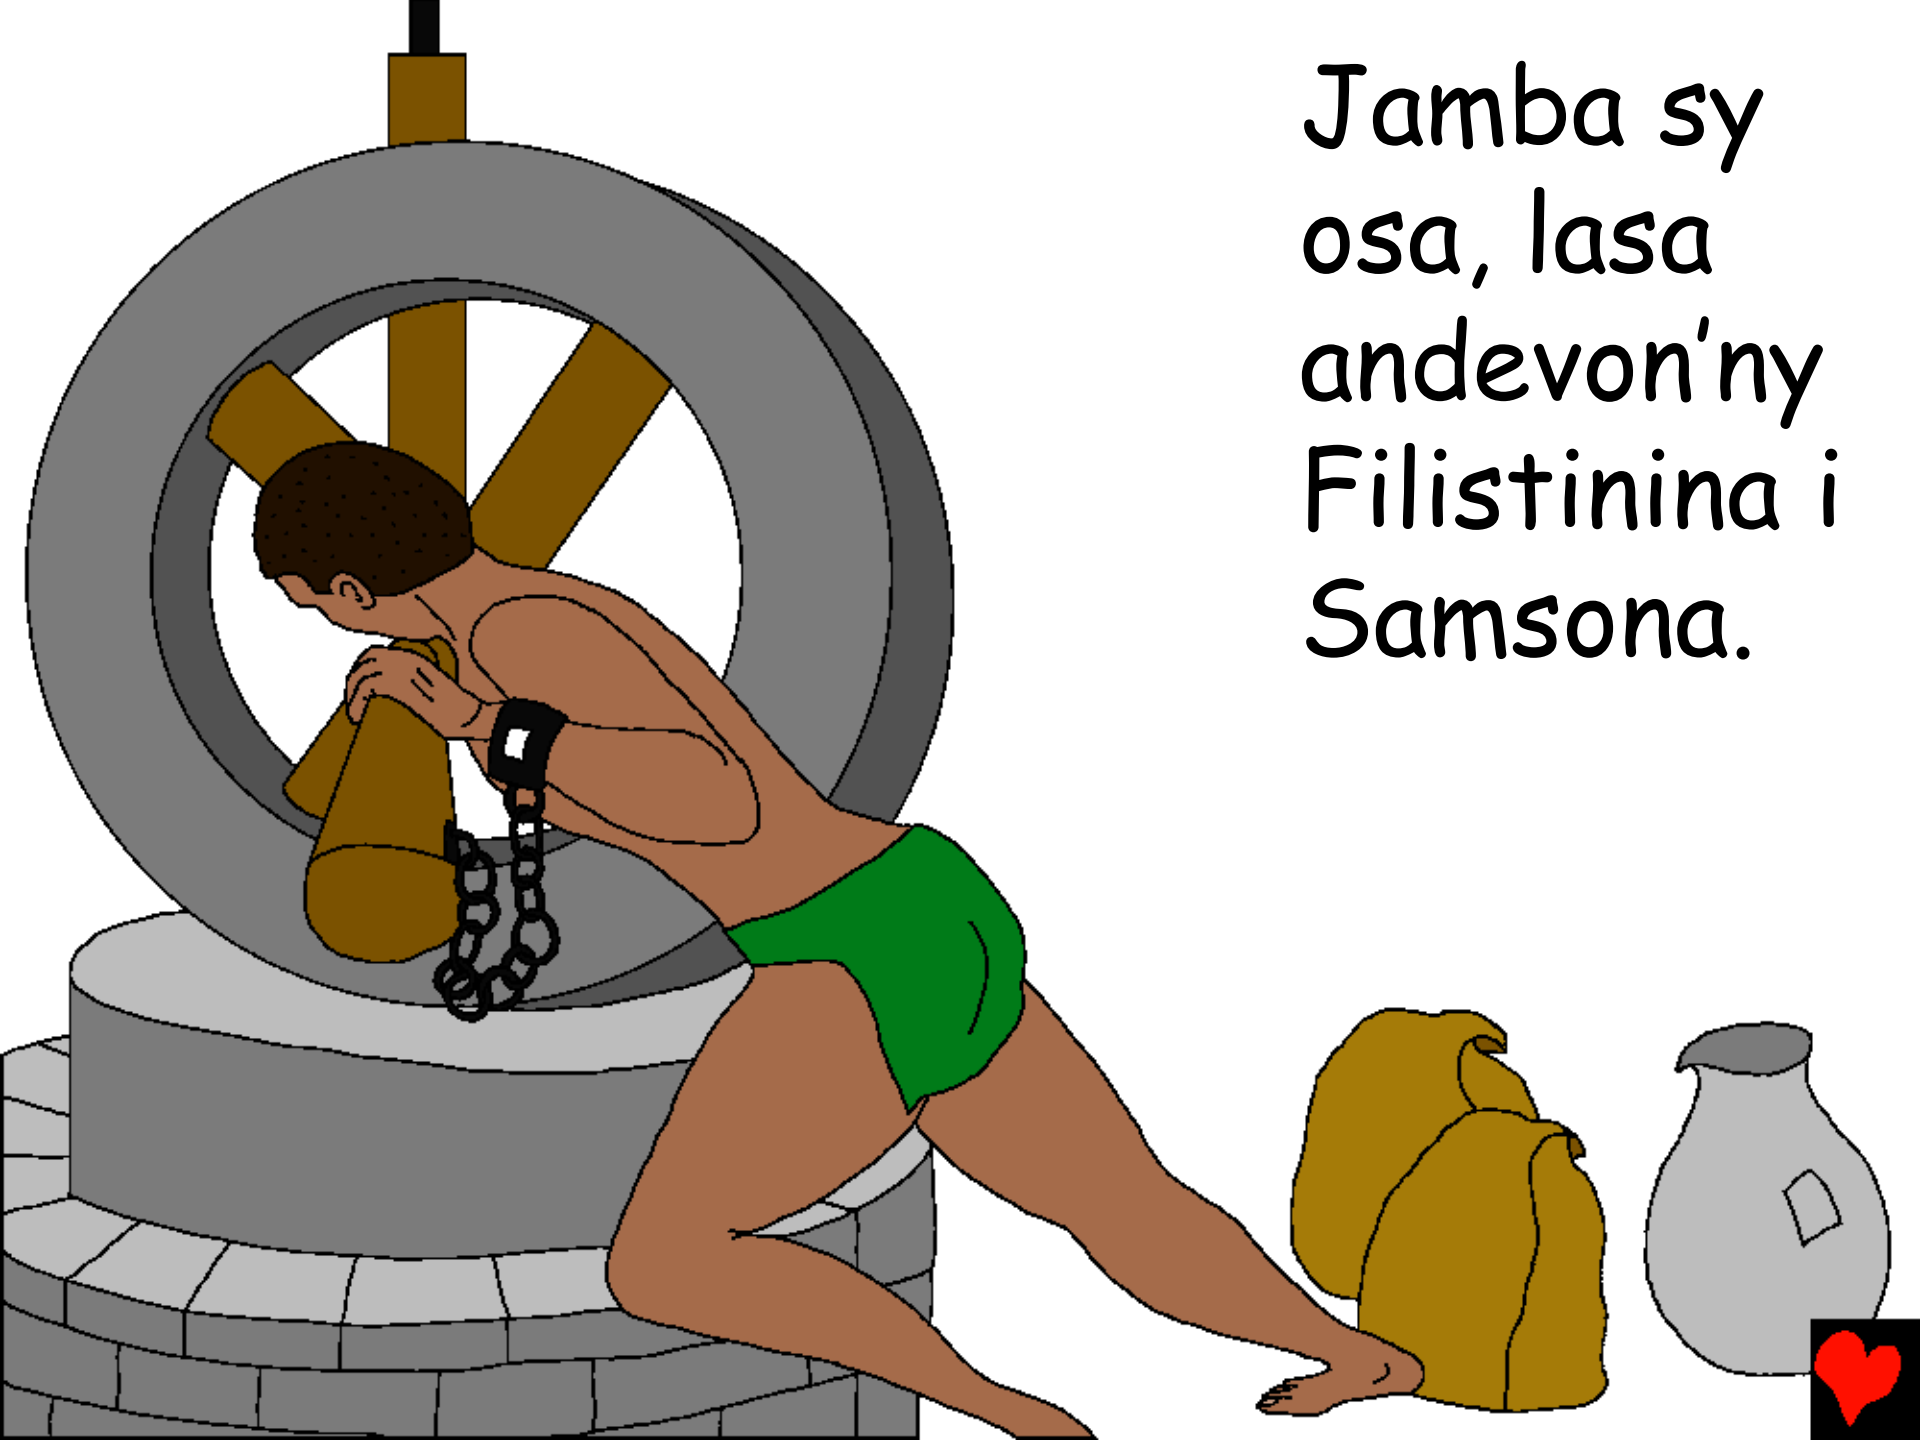
Tonga nanafika
an'i Samsona
tao an-tranon'i
Delilà ny
miaramila
Filistinina.



Namaly avy hatrany i Samsona, saingy efa niala taminy ny heriny.



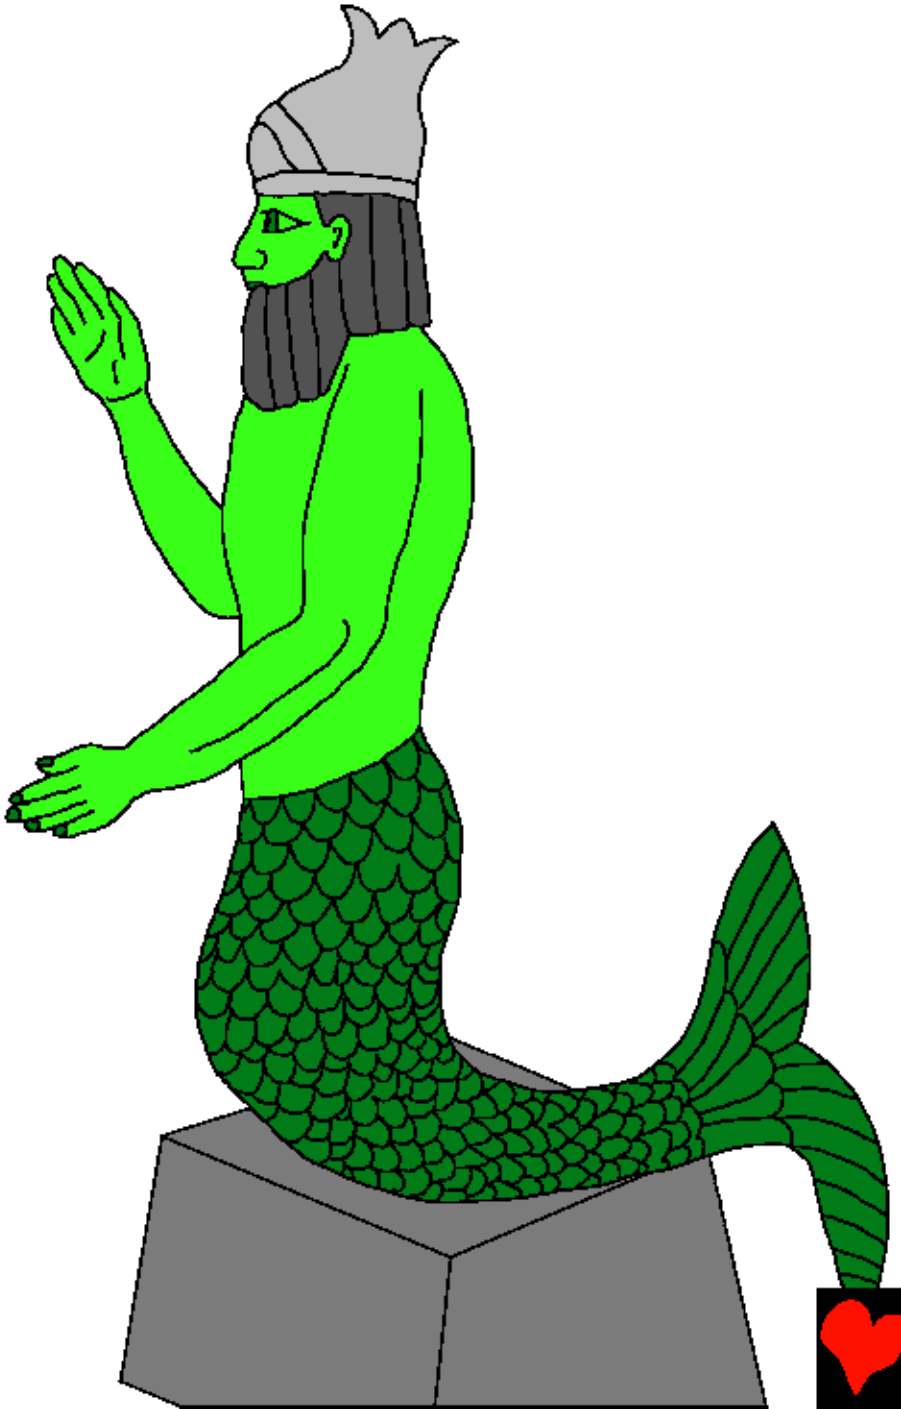
Nopotsirin'ireto fahavalony ny masony.



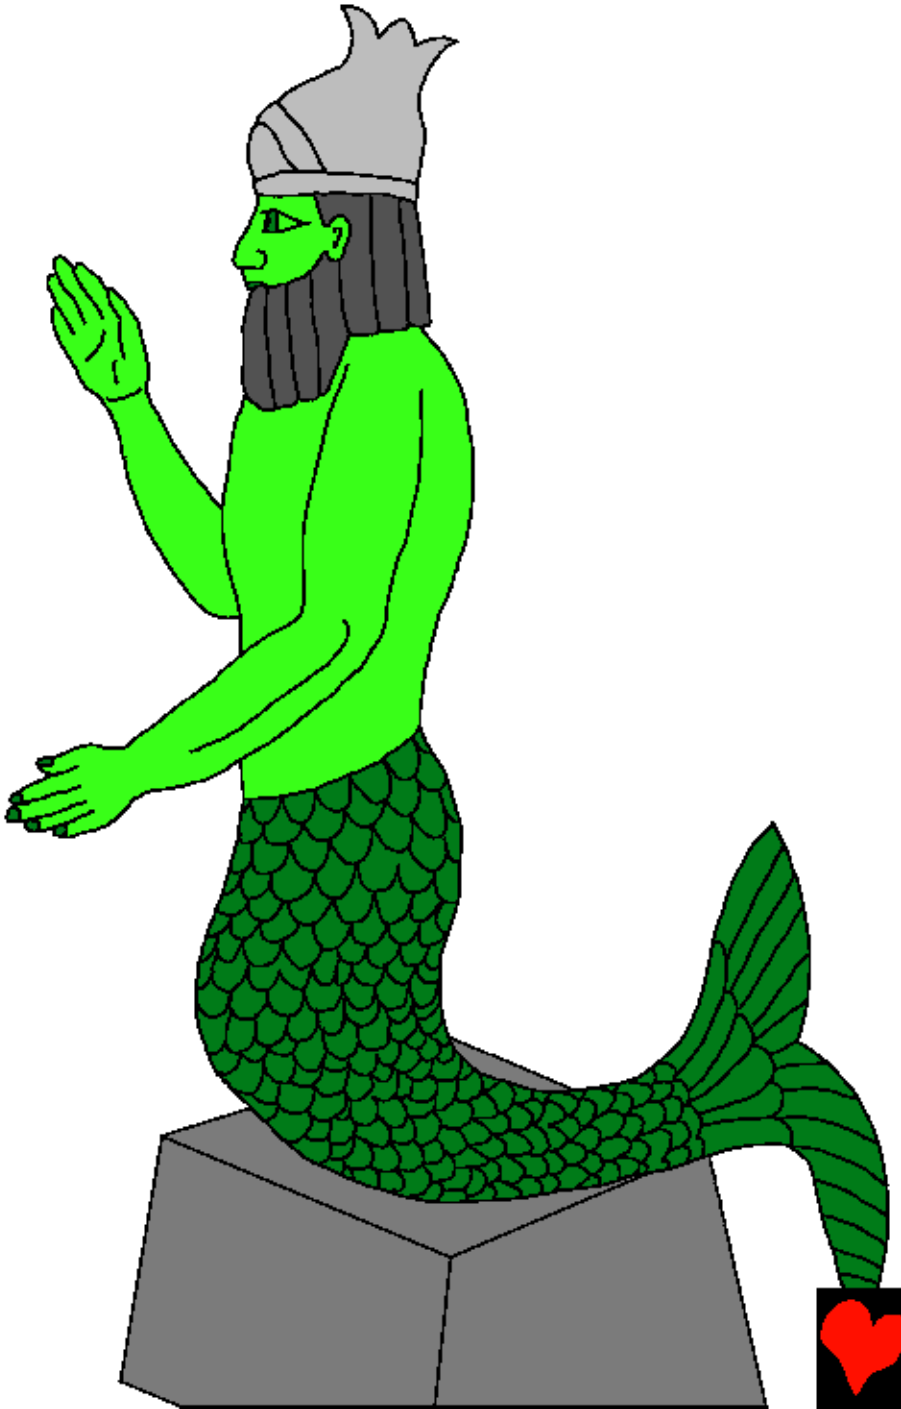
Jamba sy osa, lasa andevon'ny Filistinina i Samsona.

Nihomehezan'izy
ireo sy noesoiny
ilay mpanompon'
Andriamanitra.

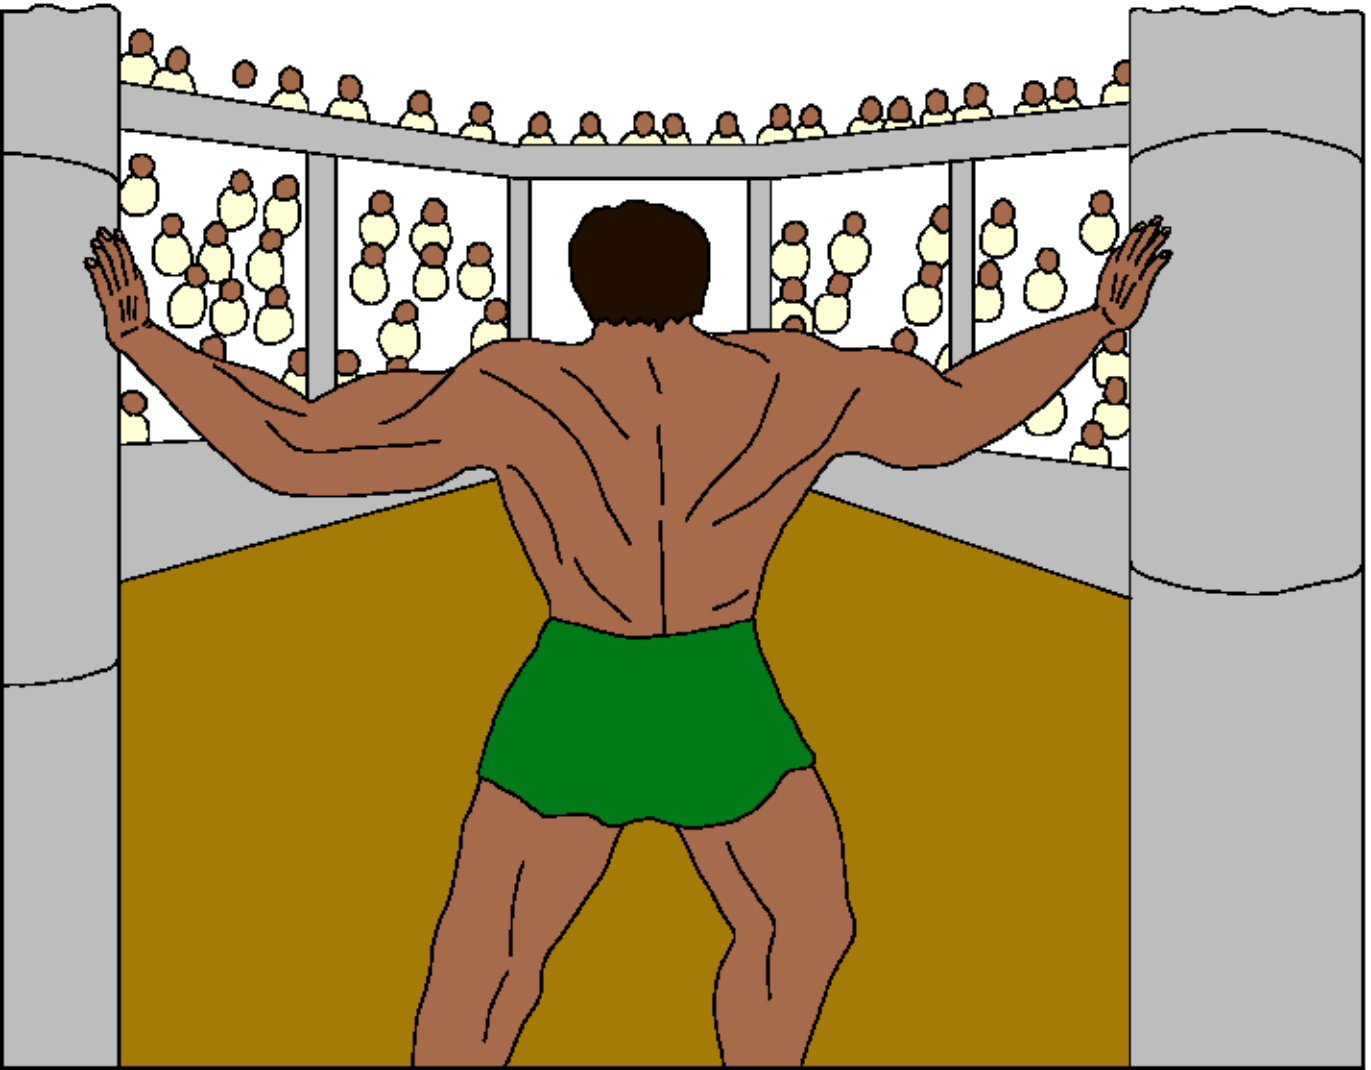
Nanao fety lehibe
ny Filistinina,
hankalazana
an'i Dagôna
andriamaniny,
izay nanolotra
an'i Samsona
teo an-tanany.



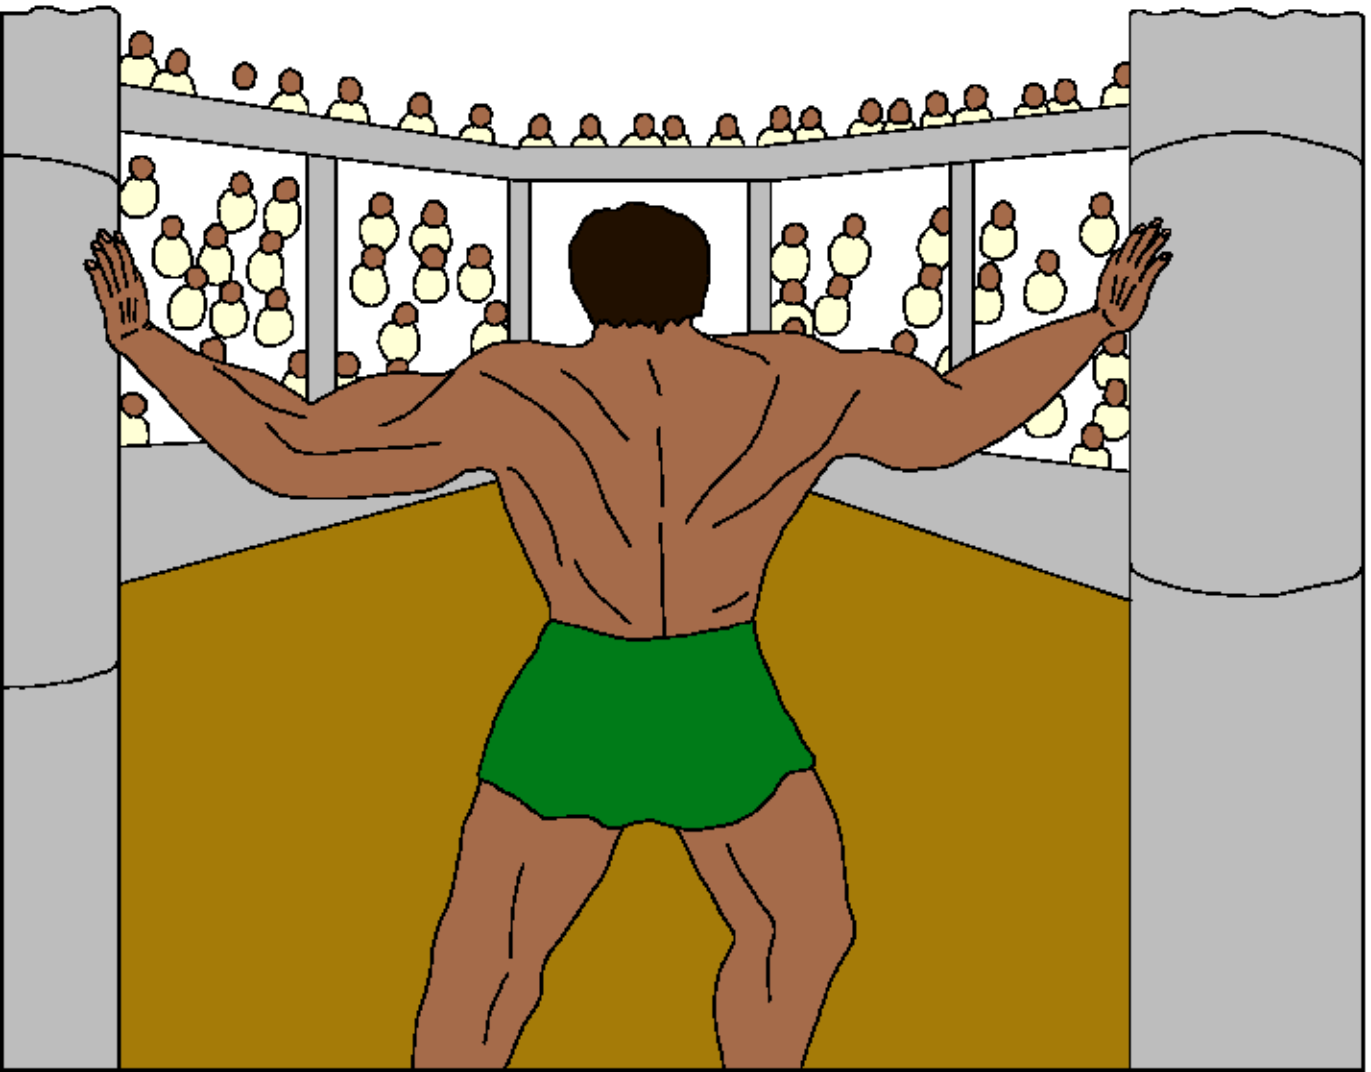
Nihinana sy
nisotro ary nifaly
tokoa izy ireo.
Nampanalaina
i Samsona
mba hanala
hamohamo
azy ireo.



Tovolahy kely iray no nitondra an'i Samsona avy any, ary namela azy hiankina amin'ny andry manohana ny tempoly.

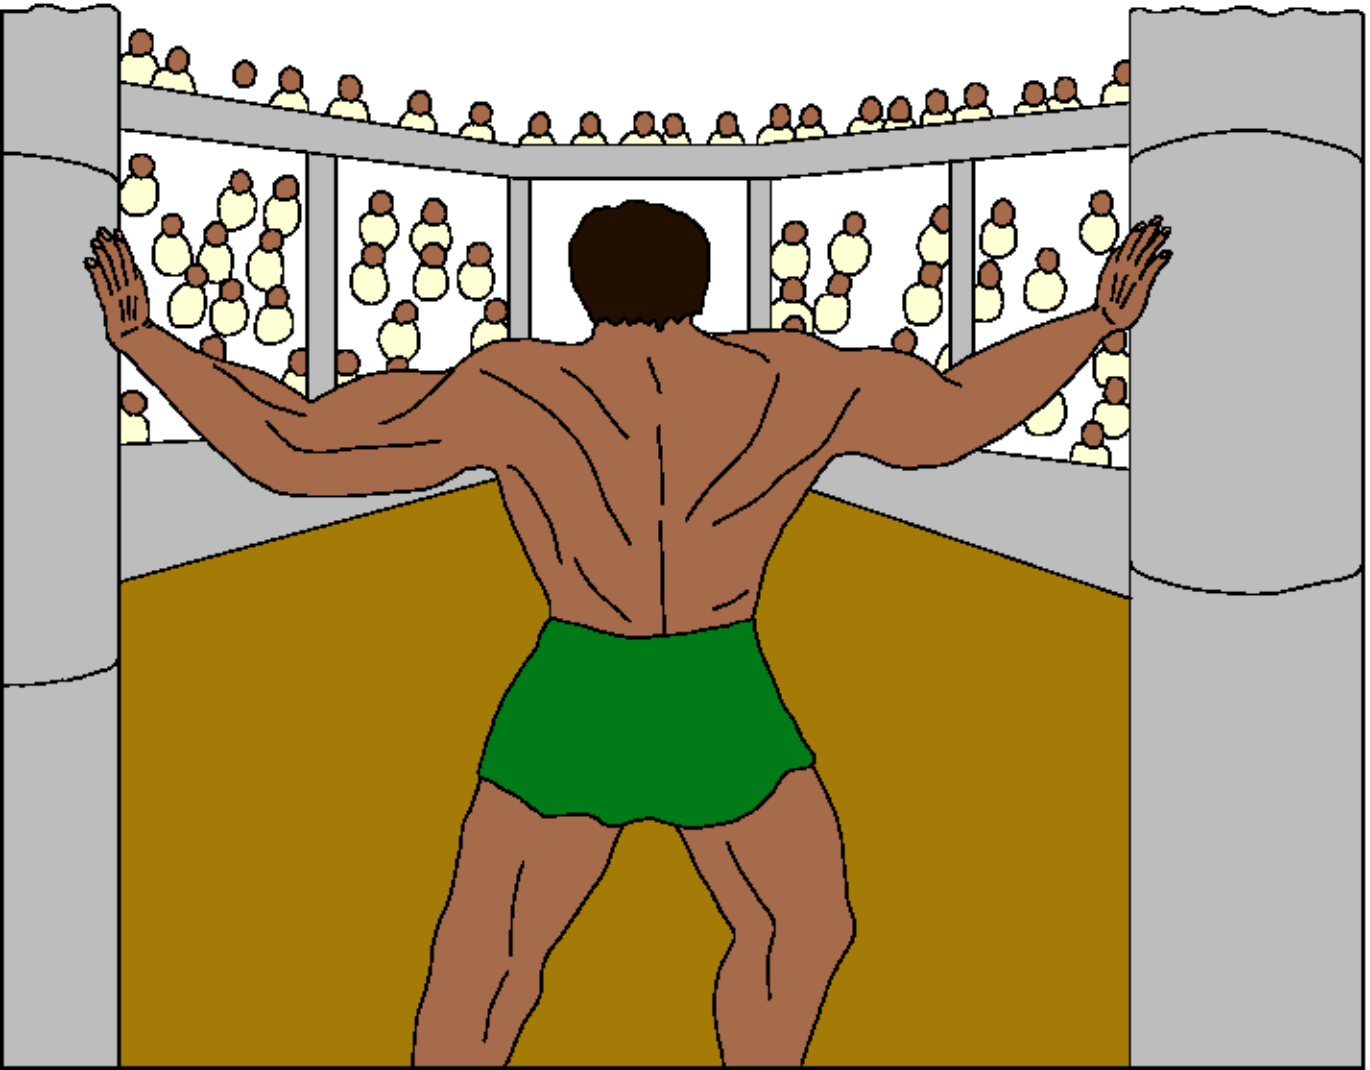


Nisy olona 3000 teo ho eo teo an-tampon-trano, ary mihoatra izay mihitsy aza taty anatiny, izay nanakora an'i Samsona avokoa.

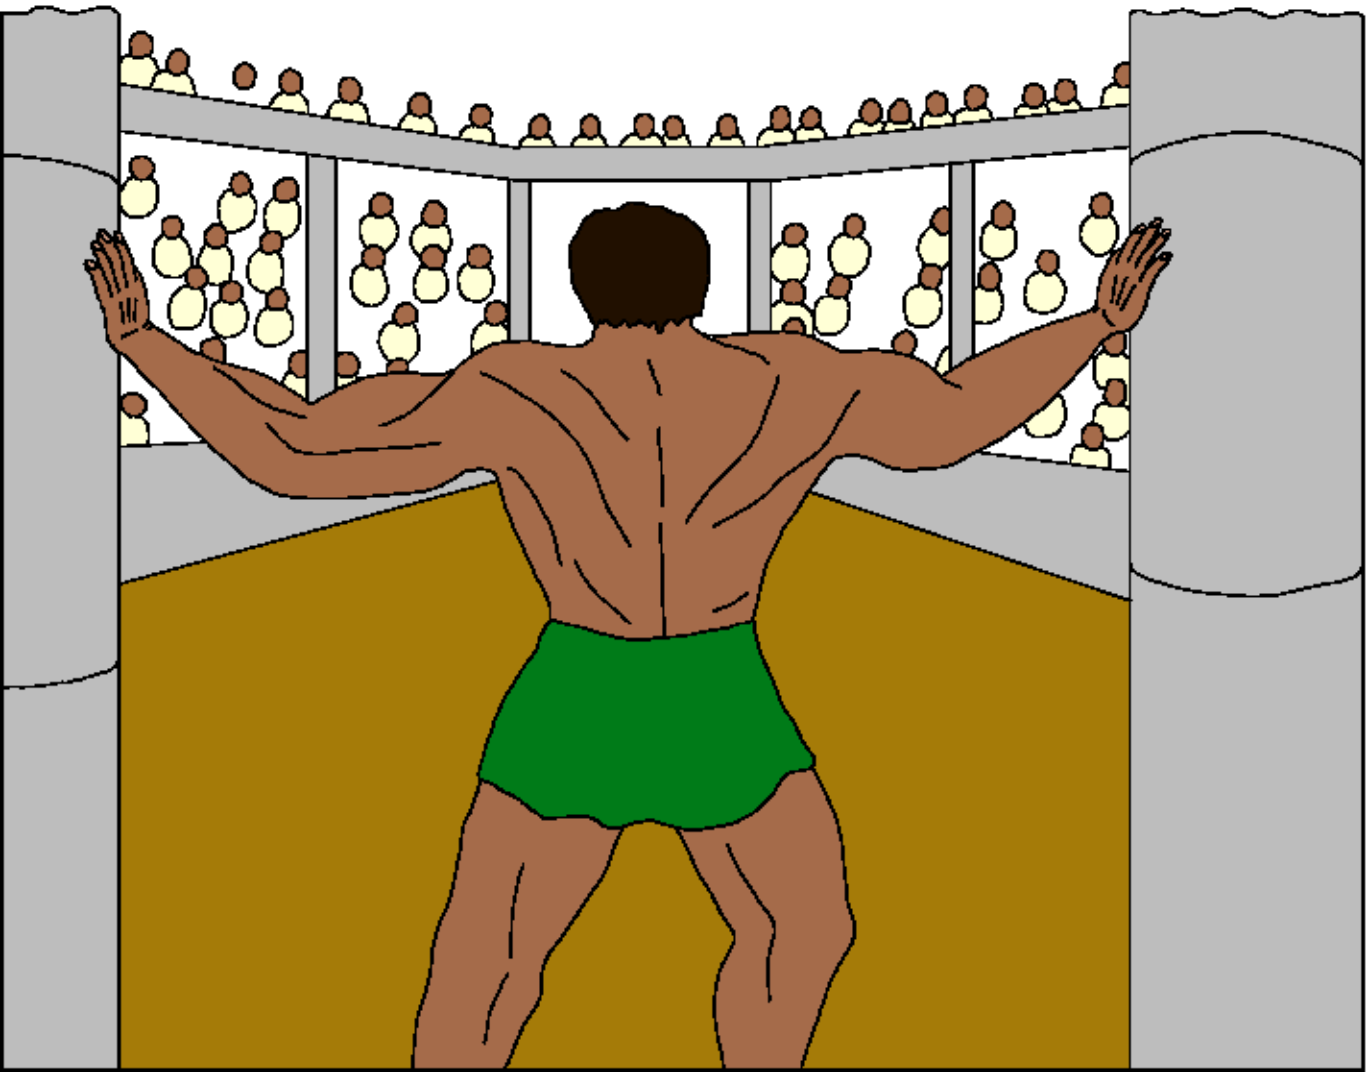


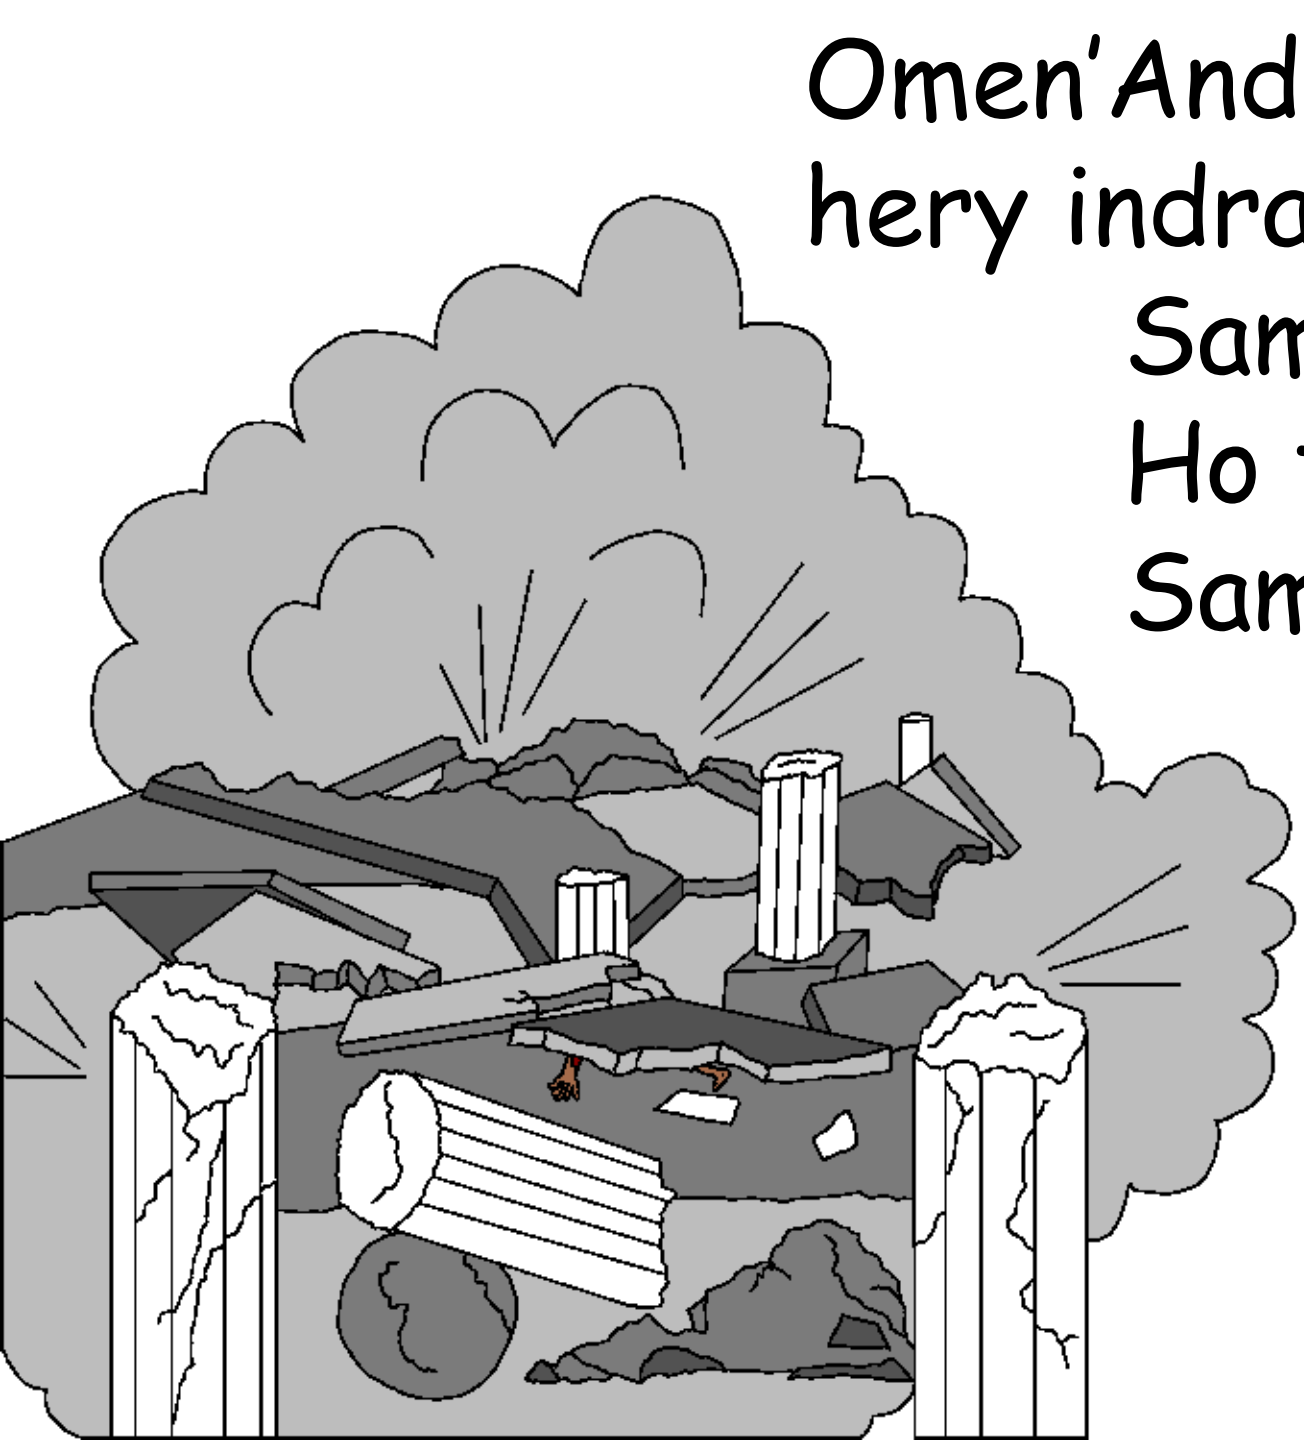
Saingy niverina nanomboka naniry indray ny volon'i Samsona tao an-tranomaizina.

Niantso ny Tompo i Samsona hoe:
"Ry Tompo Andriananahary ô!



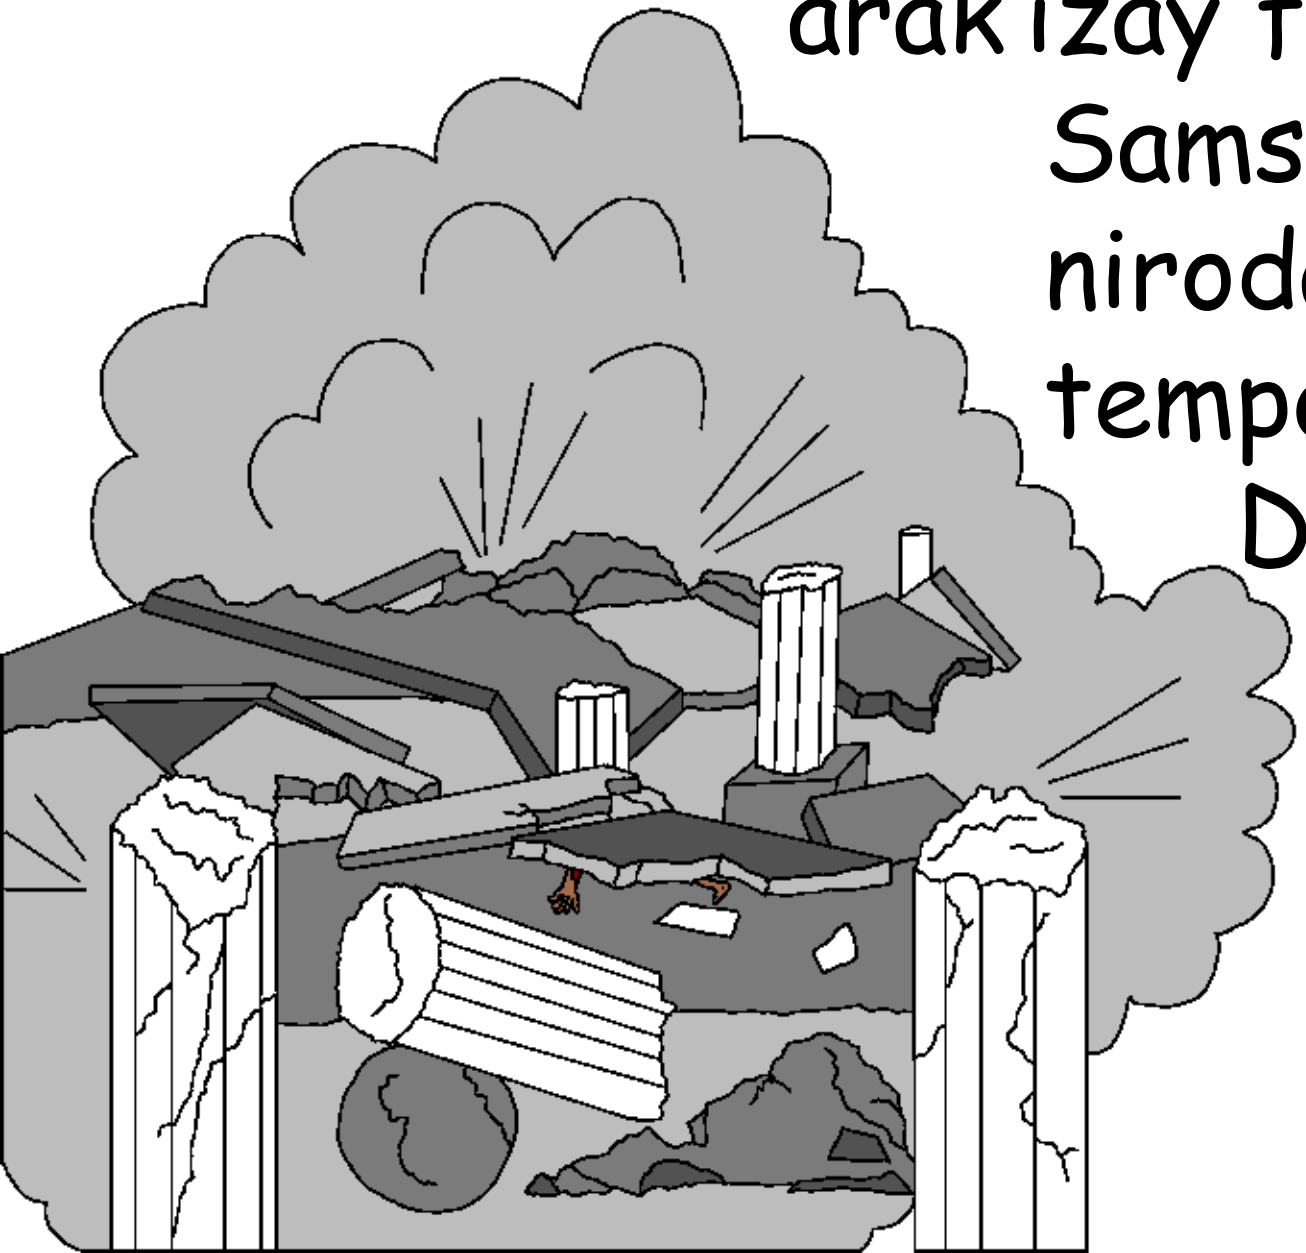
Omeo hery aho amin'ity indray mandeha ity monja, mba hamaliako faty ireto Filistinina ireto noho ny amin'ny masoko roa".





Omen'Andraiamanitra
hery indray ve i
Samsona?
Ho tanterak'i
Samsona ve
ny zavatra
tiany
atao?

ENY, nihenjana mafy arak'izay fara heriny i Samsona, ary dia nirodana ny tempolin'ny Dagôna.



Nianjeran'ny tempoly tao ireo mpanjaka sy izay rehetra tao, ary dia maty.

Isan'izany koa Samsona.

Samsona, ilay lehilahy maherin'Andriamanitra

Tantaran'ny Tenin'Andriamanitra, ny Baiboly,

Tao amin'ny bokin'ny

Mpitsara 13-16

"Ny fanambaràn'ny teninao dia manazava." Salamo 119:130

Tapitra

Ny tantara ao amin'ny Baiboly dia miresaka amintsika ny amin'Ilay Andriamanitsika mahafinaritra, Izay namorona antsika ary maniry ny hahafantarantsika Azy.

Fantatr'Andriamanitra fa manao zava-dratsy foana isika, izany no antsoiny hoe "fahotana". Fahafatesana no sazy ho antsika noho ny otantsika, saingy tian'Andriamanitra tokoa isika ka nomeny Jesosy Zanany ho faty teo amin'ny hazo fijaliana, mba ho voasazy noho ny helontsika. Avy eo nitsangana tamin'ny maty Jesosy, ary niakatra any an-danitra! Raha mino an'i Jesosy ianao, ary mangataka Aminy mba hamelàny ny helokao, dia havelany tokoa izany! Honina ao aminao Izy, ary ianao honina miaraka Aminy mandrakizay.

Raha te-hibebaka hiala
amin'ny fahotanao ianao, dia izao
no afaka lazainao amin'Andriamanitra:
Ry Andriamanitra ô, mino aho fa maty ho ahy
Jesosy, ary velona Izy ankehitriny. Miangavy
Anao aho, Tompo ô, midira ao amin'ny fiainako,
ary mamelà ny heloko, mba hahazoako fiainan-
baovao, ary ho avy ny andro handehanako eny
Aminao ho mandrakizay. Ampio aho ho velona
ao aminao, tahaka ny Zanakao. Amena.

Vakio ny Baiboly ary miresaha
amin'Andriamanitra isan'andro!
